JOSH. T. JAMES, Editor & Prop'r. WILMINGTON, N. C.

FRIDAY, MAY 2, 1890.

Entered at the Postoffice at Wilmington, N.C., as second-class matter.

The Cleveland Plaindealer extends mocracy of New York over the announcement of Mr. Murat Halstead's Ohio is reliably Democratic. He has \$1.00, wholesale and refail. no peer as an expert with the boom-

Something has evidently happened at the Russian Court. The Czar and his family had settled down comfortably at Gatschina with the intention of staying a month, when early this week telegraphic orders were received to repair the St. Petersburg palace for their reception, and the next day the entire court returned 24 and 25. unexpectedly to the capital. The censor sent out a paragraph which the newspapers, of course, published, saying that the change was due to cold and rainy weather; but from a climatic point of view St. Petersburg just now is not more favored than Gatschina.

Mr. Randall's Philadelphia district was made for him to represent, and therefore its peculiarities are some what pronounced. Although it gave Cleveland in 1888 a majority of 6,700 the Republican candidate for the State Treasurer last Fall secured there a majority of 2,575. In the present contest between rivals for the succession strong sentiment is developed on both sides of the tariff question, which is the issue of the take Lemon Hot Drops. fight for the Demogratic nomination. Under the circumstances the success of the Cleveland Democrat, Mr. Beck, would be more surprising Drops. than that of his competitors,

In 1835 the Chicago Postoffice was a log building at the corner of South Water and Lake streets. The postoffice was on one side of the room and a grocery and a bar on the other. A justice of the peace held court up stairs. One day a penny dropped from the ceiling of the postoffice to the floor. Two or three local or sectional. It will aim to keep up fellows rushed for it. The postmas-with the news from Murphy to Manteo, or, as ter, John S. C. Hogan, rushed out and said: "Let it alone; don't touch it. The jury up stairs has flipped for heads or tails to see what shall be done with the man on trial. Sure enough, the next minute the foreman came down a ladder looking for the penny.

> Two more ports in China are soon to be opened to British commerce-Tchang, situated 1,000 miles up the Yang-tze River, and Chung King, tion can make special price on same. 500 miles further up, at the foot of the rapids. The treaty opening these ports was signed in 1876. In 1888 a steamer was sent from Eng land and placed on the river, but the from; sold at factory prices. viceroy of the province of which Chung King is capital would not let the steamer proceed. It has taken nearly two years of negatiations for the removal of this prohibition. In the meantime the steamer has been sold to the Chinese Government, and is to be used on the Yang-tze River as soon as it is demonstrated that this stream is navigable as high N. Jacobi Hardware Co., as Chang King and Chinese steamers ply there. British steamers will also be permitted to trade at these river ports.

Mr. J. J. Richardson, the member of the National Democratic Committee for Iowa and the editor of the Davenport Democrat, was recently on a visit to New York. He is quoted as saving to an interview er that "there is little fear of Iowa returning to the Republican fold, now that her farmers have got their eves opened. The hard struggle was to make them see that high monopolistic protection was ruining them. The fetich held them enthralled for many years, but they have now emancipated themselves and overturned and broken the idol. The farmers of Iowa are for tariff reform, and they will vote against Republicanism henceforth." Mr. Richardson says the new Democratic Governor, Mr. Bois, is giving the State a satisfactory administration. His appointments have been good and pleasing to the farmers and the labor organizations, who hold the balance of political power in Iowa.

What It Costs Must be carefully considered by the great majority of people, in buying even necessities of life. Hood's Sar-saparilla commends itself with special force to the great middle classes, because it combines positive economy with great medicinal power. It is the only medicine of which can truly be said "100 Doses One Dollar." and a bottle taken according to diffrections will average to last a month. The Pulpit and the Stage.

Rev. F. M. Shrout, Pastor United Brethren Church, Blue Mound, Kan., says: "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My lungs were Geo. H. Brown, badly diseased, and my parishioners Fred. Phillips, thought I could live only a few H. G. Connor, weeks. I took five bottles of Dr. Spier Whitaker, King's New Discovery and am sound John A.
