Mission Organized.

Rev. R. C. Beaman, Pastor of Fifth Street M. E. Church, organized a Methodist Mission Society, at the McTyre Mission Sunday School room on Surry street, yesterday afternoon, with 34 members, with the probability of an early increase in the number. Mrs. Jas. F. Post, Jr., is Superintendent of the Sunday School, which has about one hundred pupils.

Vulgarity in the Pulpit.

We understand that Rev. Peyton H. Hoge, D. D., Pastor of the First Presbyterian Church, in his sermon yesterday alluded very plainly to the Sam Jones method of religious revivals. The allusions to Mr. Jones were inferential, as his name was not mentioned, but they were very plain and not to be misunderstood. Dr. Hoge does not believe in such methods and was positive in his denunciations of vulgarity and slang in the pulpit.

On to Richmond.

It is probable that quite a party of ex-Confederates will go from this city to Richmond, to be present at the unveiling of the Lee statue, on the 29th inst. If 20 or more go the rate will be put down to \$5.25 for the round trip. A special train is to be run, with the W. L. I. on board, leaving here at midnight of the 28th and leaving Richmond on the return on the evening of the 29th. Those who propose going are requested to call and see Dr. W. H. Green about it so that the necessary arrangements can be made.

The Odd Fellows.

The 47th annual meeting of the State Grand Lodge, I. O. O. F., will convene in this city to-morrow evening. A great many delegates are expected and arrangements for their entertainment have been perfected. The Grand Encampment will also meet here with the Grand Lodge.

Winston, for a cordial invitation to attend the banquet and other exercises of Alumni Day at the approaching Commencement of the University of North Carolina. Battle, Esq.; presentation of a tablet in memory of Prof. Graves, by his former students; Alumni address by Col. W. H. S. Burgwyn; business meeting of the Alumni; banquet. This is for Wednesday, June 4th, and on Thursday evening there will be a social reunion in the Library.

Happy Women.

What is it that makes women more smiling and happy-looking than men? We meet them on the cars, on the streets, in the country, by the seashore, always smiling, teeth a glistening, eyes a dancing. Ah! the secret is they aim to please. It is an effort in many instances for them to smile, and were it not for a desire to look pleasing and pretty many would "never smile again." Why? Because in a large majority of instances they don't feel like smiling. They feel more like crying.
