Another hot wave is developing up in the North west and it will call on us next week.

Our people have been greatly worked up to-day over the Falls murder and robbery.

Fifty first-class hands wanted to make Pants, by the day or piece. Apply at 122 Market street.

A sharp squall struck the city last evening about half-past 7 o'clock but no damage was done.

Mr. Nathan Falls, the murdered man, told us some years ago that he was distantly related to Robert E. Lee.

What steam is to the engine, Hood's Sarsaparilla is to the body, producing bodily power and furnishing mental force.

Rubber Hose, Lawn Mowers and Rakes of the latest and most improved makes are sold by the N. Jacobi Hdw. Co.

Keep dry and you will keep healthy. Umbrellas, rubber coats, &c., at I. Shrier's, S. E. corner Front and Princess streets.

I am Manufacturer's Agent for Barbed and all kinds of Wire, Combination Wire and Iron Fences. Orders solicited. James I. Metts.

The early train on the Seacoast road had to stop four times this morning, near the Mineral Spring, because of cows on the track.

There was another unusually high tide in the Sounds last night. We cannot account for it as there have been no easterly winds to force it up.

Swed. brig Pepita, Johanssen, cleared to-day for Antwerp with 1,432 casks spirits, valued at \$28,640, shipped by Messrs. Alex. Sprunt & Son.

We understand that the St. Paul's E. L. Sunday School will give another of their delightful excursions to Carolina Beach on Thursday, the 21st inst.

Capt. Plummer keeps a good line of groceries, fruit, confections, &c., at his store on Second street, corner of Toomer's alley. Fresh supplies of melons and grapes every day. See ad.

The Domino Party, at the Island Beach Hotel last night was a very pleasant affair. Quite a number of ladies and gentlemen went down from the city to attend it. The last train left there at midnight.

There was a report current to-day that another victim to the highwaymen, a colored man, had been found robbed and murdered on the turnpike this morning but it could not be traced to any reliable source.

The colored fire companies returned from Charlotte this morning. The Dread Naughts displayed the prize won by them, a handsome silver pitcher, from the peak of their flagpole as they proudly paraded the streets.

Farmers, we can supply you with Peanut Sweeps and Diggers, Scraper and Coelter Points. Seven different sized wheels and two size points for the "Boy Clipper," the most improved plow on the market. N. Jacobi Hdw. Co., factory agents.

Don't forget the excursion of the Royal Pleasure Club to Carolina Beach to-morrow. The committee have arranged for a round of pleasures on that day. There will be three boats and a chance for everybody to go down to the seaside and cool off.

There was a good crowd on the Grove this morning, the first boat for the W. L. I. excursion to Carolina Beach, but a still larger one went down on the 2:30 boat, which took down the company, all in full uniform. Others still left on the 5 o'clock boat.

We have it now. A Pump that is always primed, never requiring a tub of water to start it. It is the bright invention of a North Carolina genius and is pronounced by all to be the best pump on the market. See it and you will have no other. N. Jacobi Hdw. Co.

Plenty of clouds but very little rain thus far.

Mr. T. W. Clawson, of the Messenger, has returned from his holiday trip, which he passed with relations and friends in South Carolina.

Passengers on the Seacoast railroad will do well to remember that they cannot stop over at Wrightsville on tickets to the Hammocks or Ocean View. Neither can they stop over on a book ticket. If persons desire to stop off at Wrightsville, they must buy another ticket from Wrightsville to the Hammocks and vice versa.

Progress.

It is very important in this age of vast material progress, that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature and effects. Possessing these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known.

Another Attempt.

We hear of another attempt at highway robbery, this morning. Three marketmen were coming into the city with their carts this morning on the Federal Point road when as the first, who was somewhat in advance of the others, was crossing Jumping Run a colored man jumped from the bushes and ordered him to halt and hand over his money. Just then the highwayman espied the two following carts and incontinently took to his heels.

A Peculiar Find.

A friend of ours, who resides in that neighborhood, a day or two since found a turkey's nest, with three eggs in it, on the sidewalk on Fifth street, between Walnut and Red Cross. A clump of weeds grew in that place and pedestrians had been in the habit of going around instead of through it, and it was in this clump that the nest was found. It was a peculiar circumstance but need not justify the boys in beating up every clump of bushes they come across hereafter.

McIver for Judge.

At Laurinburg yesterday Capt. J. D. McIver, of Moore county, received the Democratic nomination for Judge of the Seventh District, vice Hon. Jas. C. McRae, the present incumbent. We may be allowed to regret this result and that without any disparagement to Capt. McIver. Judge McRae has filled the duties of his office faithfully, fearlessly and with rare ability and when we get a man like that on the Bench we ought to keep him there.

Low Rates for the Encampment.

The Atlantic Coast Line will give low round trip rates during the State Encampment to Wilmington from stations on its roads. The fare from Magnolia will be \$2 00; Clinton, \$2 45; Goldsboro, \$3 00; Fremont, \$3 25; Wilson, \$3 50; Rocky Mount, \$3 95; Enfield, \$4 30; Tarboro, \$4 30; Fayetteville, \$4 60; Whiteville, \$2 00; Marion, S. C., \$3 00, and proportionate rates from other points.

Tickets will be on sale July 21st to 27th, good returning until July 31st, and on sale August 4th to 10th, good returning until August 14th inclusive.

With the Gloves.

Much interest has already been excited in the glove contest to take place between Profs. Layton and Dempsey at Wrightsville Beach one week from to-morrow. Mr. Dempsey is already in training and Mr. Layton begins to-morrow. Both are pugilists of record, and they promise to be pretty evenly matched. Prof. Layton's usual weight is about 150 pounds, and he will reduce it to 135 pounds for the contest. Prof. Dempsey's weight is 155, and he will reduce to about 138. He is a cousin to Jack Dempsey, the well known middle weight champion and, is a pupil of his.

By the way, this training business is no joke. It is made up of some mighty hard work and it is an ordeal that all pugilists dread.

Bucklen's Arnica Salve.

The Best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Robert R. Bellamy, wholesale and retail druggist.

MURDER MOST FOUL.

Highwaymen Get in Some Bloody Work—An Old and Inoffensive Citizen Killed and Robbed on the Public Highway—No Clue to the Assassins.

This entire community was startled and shocked this morning when news of a most dastardly murder and robbery was brought to the city. The highwaymen who have infested the roads leading to the city have at last got in some bloody work and an old, inoffensive and highly-esteemed citizen has been done to the death for the sake of a few paltry dollars.

The unfortunate victim is Mr. Nathan Falls, an old fisherman, 70 years of age, who is known to almost every resident of the city. Mr. Falls resided on Masonboro Sound and came to the city yesterday afternoon with a load of fish. He had \$4 with him when he left home and the fish he sold here brought him in \$3. He left for his home as soon as he had sold out and passed the first toll gate on the turnpike at 8 o'clock, sitting in his cart and driving his mule. It was about 9 o'clock when he passed the second toll gate, although Mr. Patton, the keeper, is not sure as to the exact time. His cart did not stop there but kept right on. Mr. Falls was sitting in the bottom part of the cart, apparently asleep, but they did not see him until after he had passed. From the description of the position he occupied in the cart it would appear to have been the same in which he was found and therefore the theory has been advanced that the crime was committed between the first and second toll gates. This can perhaps be determined by finding the exact time at which he passed both gates and comparing the interval with the time required for the mule to walk the distance.

Mr. Falls was found sitting in his cart at his own gate, or, rather, at that of his son, Mr. Frank Falls, with whom he lived, with his head fallen forward on his chest and blood upon his face, which had evidently flown from his head. The cart had careened somewhat owing to the fact that one of the wheels was partly in the ditch in front of the fence. It is probable that Mr. Falls fell asleep in his cart and that the murderer climbed in softly behind him and shot him to death as he stood above him. This is almost a certainty from the direction of the wound and the position of the body.

The body was first discovered by Mr. George Alford, at daylight this morning, as he was on his way to his fishing boat, who at once made the fact known when Mr. Willie Lumsden rode up to the city and notified Coroner Jacobs who at once went down to Masonboro and made a preliminary examination. The Coroner found that Mr. Falls had been shot in the top of the head with a pistol and he judged that the ball was probably of .32 calibre. Mr. Falls' pockets had been rifled and everything taken therefrom. The left pocket of his pantaloons had been ripped out and the right pocket was hanging out. The body was cold when found and it is probable that it had remained in the cart at the fence all night long. Coroner Jacobs empaneled a jury at Masonboro and returned to the city and called upon Dr. Burbank, who accompanied him to Masonboro about 12 o'clock to day.

These are all of the particulars to be obtained up to 4 o'clock this afternoon, at which hour the Coroner had not returned to the city.

This is one of the most dastardly murders we have ever been called upon to record. There can be no doubt that it was the work of the highwaymen who have been carrying on their operations in this vicinity so boldly of late. Whether they operate as a gang or simply as individuals, is not yet known. The community has been aroused at last and the authorities of both city and county will take vigorous steps to arrest the offenders. It has really become a terrorism of late. Some marketmen are afraid to come here and many denizens of the city fear to ride out in the afternoon on the public road beyond the city limits.

The turnpike road was never in better condition than it is now.

The county authorities have offered \$250 reward for the apprehension of Mr. Falls' murderer.

That Big Black Bear.

The Carolina Beach bear seems to have deserted that locality, after working considerable mischief. Mr. Hans A. Kure's fine cow, for which he paid \$100, came in last Saturday from pasture with her back badly lacerated, it is supposed from an attack made on her by the bear, and it is said that some of old man Wood's pigs, at Battery Buchanan, near Fort Fisher, have fallen victims to his love for pork. He has probably recrossed the river to Brunswick county, from whence it is likely that he first came, as we hear of depredations by a bear on pig pens near Price's Creek, just this side of Southport.

Funeral Notice.

The funeral of the late NATHAN FALLS will take place at Masonboro Church at 9 o'clock to-morrow morning. Friends and acquaintances are invited to attend.
