INDEX TO NEW ADVERTISEMENTS  
SNEED & CO.—Furniture  
C. W. YATES—Noted men on the Solid South

It was cool enough for a fire at Wrightsville last night.

The boarding houses at Wrightsville are now crowded with visitors.

Fifty first-class hands wanted to make Pants, by the day or piece. Apply at 132 Market street.

Rubber Hose, Lawn Mowers and Rakes of the latest and most improved makes are sold by the N. Jacoby Hdw. Co.

Keep dry and you will keep healthy. Umbrellas, rubber coats, &c., at I. Shrier's, S. E. corner Front and Princess streets.

I am Manufacturer's Agent for Barbed and all kinds of Wire, Combination Wire and Iron Fences. Orders solicited. James I. Metts.

We are under obligations to our clever friend, Mr. Gerrit Walker, for a basket of large and delicious grapes, from his vineyard on Middle Sound.

The new flag for the Purcell House has not yet arrived but in honor of the Encampment a national flag was procured for temporary use and raised last evening.

To our friends, the marketmen, we commend the old song, the refrain of which is as follows: "We won't go home till morning; we won't go home till morning; till daylight doth appear."

The only decorations we have noticed on the line of the Seacoast Railroad are those at Capt. John G. Oldenbottles' store, corner Market and Tenth streets, where they are profuse and handsome.

Dr. Carmichael, of the Marine Hospital, and other residents of that section of the city complain of the fusillade of pistols kept up every night now in the woods East of the city which is very annoying and prevents sleep.

Farmers, we can supply you with Pennant Saws and Diggers, Seraper and Cocker Points. Seven different size wings and two size points for the "Boy Clipper," the most improved plow on the market. N. Jacoby Hdw. Co., factory agents.

Round trip tickets to Boston, Mass., on account of the National Encampment, G. A. R., will be placed on sale by the Atlantic Coast Line, August 7th and 8th. Price of tickets from Wilmington, \$22.70, all rail; via Sound Line from New York, \$20.70.

Steam tug Talisman, having in tow the disabled and leaking American schooner Maggie Lawrence, loaded with phosphate rock, from Charleston for New York, anchored the schooner off the bar and came up to the city at 10:50 o'clock this forenoon for coal.

We have it now. A Pump that is always primed, never requiring a tub of water to start it. It is the bright invention of a North Carolina genius and is pronounced by all to be the best pump on the market. See it and you will have no other. N. Jacoby Hdw. Co.

There was a large crowd at Carolina Beach to-day. The Grove carried down a large number on her two trips and many more will go down at 5 o'clock. The Howard boys certainly ought to feel happy over the large number of people they have drawn together to-day.

We are sorry to hear that Mr. Roscoe Lamb continues very low. He was brought here a few days since from Washington City, suffering from a severe attack of typhoid fever and is at Capt. Southerland's residence on Nun street, near Second. He was reported as somewhat quieter this morning, but no better.

Capt. S. W. Noble has received a letter from Mr. J. Van Lindlay, in forming him that Mr. H. E. Van Deeman, Chief of the Pomological Department of the Bureau of Agriculture, will attend the Mt. Holly meeting and Fair, on the 30th inst., and will lecture there on grapes and grape culture, diseases, remedies, &c.

Every tissue of the body, every nerve, bone and muscle is made stronger and more healthy by taking Hood's Sarsaparilla.

## Forecasts.

For North Carolina, fair weather, except in the western portion showers and stationary temperature. Local forecasts, from 8 a. m. to-day, for Wilmington and vicinity, fair weather and stationary temperature.

## For the Alliance.

The Atlantic Coast Line will have round trip tickets on sale August 10th to 13th inclusive, and good to return until August 19th, from Wilmington to Asheville, on account of the North Carolina Farmers' Alliance. Price of tickets \$9.70 for the round trip.

## Progress.

It is very important in this age of vast material progress that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature and effects. Possessing these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known.

## The New Postal Cards.

New postals are soon to be issued by the Postoffice Department. They will be of two sizes—an idea of the Postmaster General—the bigger ones, which have twice the area of the present postal cards, being intended for business communications that cannot very well be crowded, and for other purposes demanding space. Both kinds have in the right-hand upper corner, instead of the representation of a stamp, a small portrait of Gen. Grant.

## Y. M. C. A. in Camp.

The Y. M. C. A. of the State have a large tent on the camp grounds, with seating capacity for eighty persons, where all the State dailies and weeklies, New York and Richmond dailies and some of the most prominent magazines will be on file for the accommodation of the military and visitors during the encampment. The tent is under the charge of Mr. L. A. Coulter, State Secretary, and Mr. G. M. Busey, Secretary for the Association of this city. In addition to the large amount of reading matter, there will also be a plenty of stationery and writing material for the convenience of correspondence, so that the "soldier boys" may write as often and as much as they please to their friends at home. The tent is also supplied with chess, chequers and conveniences for games, and hammocks are swung on the surrounding trees in the immediate vicinity, where the tired and sleepy may indulge in a delightful rest or a quiet "snooze." Mr. Coulter will be in constant attendance, and Mr. Busey will be there a good deal of the time.

## Criminal Court.

In this Court yesterday afternoon Edward Edwards, colored, charged with assault and battery and highway robbery, was found guilty and sentenced to ten years in the penitentiary. Edwards is the man, who on the 10th of last June, robbed and almost killed Mr. L. J. Mills on the Federal Point road, about five miles from the city. He has always been known in police circles as a mean and desperate fellow.

State vs. Henry Shepperd, colored, assault with a deadly weapon, guilty. Sentenced to twelve months in the State Penitentiary.

State vs. James B. Barron, colored, larceny, guilty. Sentenced to five years in the penitentiary.

The following cases were disposed of to-day:

The Court has been engaged all day in trying D. J. Garner, who is charged with the murder of Edward Hill, a fireman on the Seacoast train, at the Hammocks on June 26th. Mr. Solicitor Moore appears for the State and Hon. A. M. Waddell and Messrs. A. J. Marshall and Allen Brown for the defence. The following jury was empanelled this forenoon: R. B. Register, W. F. Ketchum, F. V. B. Yopp, S. F. Yopp, W. M. Hankins, Geo. T. Alderman, F. S. Clark, A. B. Sandlin, H. M. Woodcock, T. J. Tart, E. V. McKenzie, J. W. Thorburn.

## Hucklen's Arnica Salve.

The Best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Robert E. Bellamy, wholesale and retail druggist.

## Another Attempt.

An attempt was made on Sunday morning last to rob Mr. Willie Risley, of this city. He was returning from a visit to the Hewett farm, at Jumping Run, when a colored man stepped from a clump of bushes and demanded "his money or his life." Mr. Risley called for help and two colored farm hands responded. The fellow took to his heels. He was chased a short distance but escaped.

## Assault at Summer's Rest.

A report came in from Wrightsville last night that an old one-legged colored man, said to be a preacher, was assaulted on Summer's Rest, near Mr. Wm. Larkins' place, and robbed of \$20 in money. It is said that there was a boy with him who escaped and gave the alarm. The old fellow belongs on Middle Sound and had been to Wrightsville to dispose of some produce. Some doubts have been expressed as to the facts but we believe that they are correct. The old man has been carried to his home and was somewhat better to-day.

The latest report about the affair is that the old fellow had been fooling around another man's wife and was beaten by the irate husband.

## Gallant Gentlemen All.

The Marion Rifles, 4th Regiment, S. C. M., 28 men strong, arrived here this morning on the W. C. & A. R. R. train and at once embarked on the Passport and steamed down to Southport, where they will go into camp for ten days. They are accompanied by the Marion Rifle Band, of ten pieces, one of the best musical organizations in our sister States. The Rifles are officered as follows:

Captain—E. A. Gasque.  
First Lieutenant—J. S. Davis.  
Second Lieutenant—P. A. Wilcox.  
Orderly Sergeant—E. T. Wilcox.  
Both the company and the band are composed of young men, as fine looking a body of citizen soldiery as we have ever seen. Capt. Gasque seems proud of his men and with much reason. They are picked men. Every man is a gentleman, sober, intelligent, obedient and courteous. The citizens of Southport are to be congratulated on having these gallant gentlemen with them and we advise them to keep them with them as long as possible—advice they are apt to heed.

## The Charge of the Light Brigade.

Vulgarily speaking, "hell broke loose" on the Seacoast train on the Ocean View R. R. last night. One of the gallant Washington Light Infantry was so full of "spirits" that he wanted everybody to know it. He made known the fact by violent, vulgar and indecent language, by pulling the bell cord while the train was at a stand-still and the conductor at supper and finally by knocking a cigar out of a gentleman's mouth. This latter was promptly resented by a blow in the mouth. Capt. Phillips interfered at this point and got a blow in the eye for his trouble. Some of the drunken soldier's friends interfered and tried to quiet him, but in vain. Arrived at the Hammocks, Adjutant General Glenn appeared on the scene and placed the man under arrest. Gen. Glenn afterwards told President Latimer, of the Seacoast R. R., that he would detail a guard for duty at the Hammocks and on the Beach to-day to prevent any further disturbances.

The man's name is Joseph Bowers and on affidavit of Capt. Phillips, conductor on the Seacoast R. R., who was struck by Bowers, Justice Bunting to-day issued a warrant for his arrest.

## Are You an Heir?

More than half a billion of dollars in unclaimed estates are awaiting the rightful heirs in England, Scotland, Wales and Ireland. Most of these heirs are in the United States, and have been advertised for in English papers. Thousands of heirs have never seen these advertisements. If your ancestor on your father's or mother's side came from any of the above-named countries do not fail to write to E. Ross, European Claims Agency, 237 Grand St., New York, and ascertain if you are an heir. Your deceased ancestor's rights are yours by British law. We have information of every estate and deceased person whose heirs have been advertised for in 125 years. Send postal note for 25 cents to insure information. If you are an heir we will recover the estate for you. No recovery, no fee.

## Cottagers at Carolina Beach.

There are 32 cottages now at Carolina Beach and next season the number will probably approximate one hundred. These are in addition to the hotel, which is kept full of guests always. The resident cottagers are as follows: Messrs. W. A. French, D. McEachern, W. H. Yopp, A. D. Brown, J. C. Stevenson, J. W. Collins, J. A. Springer, W. H. Struthers, C. W. Yates, B. C. Goram, W. C. Price, C. C. Southerland, Walter Smallbones, Isaac Bates, D. W. Mathis, W. Catlett, W. H. Gerkin, H. A. Kure, R. W. Smith, N. Hullen, F. A. Newbury, James Nolan and J. L. Winner and Mrs. E. W. Doscher, of Wilmington; Messrs. O. A. Robb, W. A. Robeson and H. J. McDuffie, of Fayetteville, and Mr. H. E. Newbury, of Magnolia. These all have their families with them, and some are entertaining guests. There are two colored residents in cottages, John H. Howe and John Brown, two worthy and well known residents of this city.

## The Encampment.

The troops are all in camp now, ten companies having arrived last evening. Although it was late when they got there guard mounting was ordered and sentinels posted, and soon all was quiet and still in the camp, nothing being heard but the distant boom of the surf and the steady tramp of the sentinel. The First and Third Regiments now in camp consist of the following companies:

FIRST REGIMENT—Col. John W. Cotten, commanding.  
Co. A—Capt. J. H. Foxhall, Tarboro.  
Co. B—Capt. Richard Williams, Greenville.  
Co. D—Capt. W. T. Hollowell, Goldsboro.  
Co. F—Capt. P. J. Macon, Warrenton.  
THIRD REGIMENT—Col. W. T. Gray, commanding.  
Co. A—Capt. Robert B. Glenn, Winston.  
Co. C—Capt. Henry Perry, Henderson.  
Co. D—Capt. W. A. Gattis, Jr., Durham.  
Co. E—Capt. W. A. Bobbitt, Oxford.  
Co. F—Capt. E. C. Holt, Burlington.  
Co. G—Capt. W. G. Howlett, Reidsville.  
Co. I—Capt. A. J. Ellington, Reidsville.  
Band of Third Regiment, Charles W. Price, Drum Major.  
The serious work of the encampment began to-day with drills in the forenoon and afternoon and a strict enforcement of the regulations. Dress parade will take place at 6:30 o'clock and it is expected that there will be a very large attendance from the city. There is not nearly as much interest felt here in the encampment, however, as there was last year, mainly because of the comparatively small number of troops in camp. The entire four regiments scarcely make more than the strength of one full regiment and it is felt already that it was a mistake to divide the force into two encampments.
