J. C. STOUT—10 Carpenters Wanted  
SCHEDULE—Carolina Beach Steamers  
C. W. YATES—Noted men on the Solid South

There was a fine rain here early this morning.

Ten good carpenters can find immediate employment on application to Mr. J. C. Stout. See ad.

The fare to Carolina Beach and return to-morrow is only 25 cents, the regular Saturday rate.

Don't forget the "glove dispute" at the Wrightsville Beach to-night. It will take place at 8 o'clock.

The peculiar enervating effect of summer weather is driven off by Hood's Sarsaparilla, which "makes the weak strong."

Fifty first-class hands wanted to make Pants, by the day or piece. Apply at 122 Market street.

Rubber Hose, Lawn Mowers and Rakes of the latest and most improved makes are sold by the N. Jacobi Hdw. Co.

There is to be a vocal and instrumental concert at the Encampment to-morrow night, under the auspices of the Y. M. C. A.

Keep dry and you will keep healthy. Umbrellas, rubber coats, &c., at I. Shrier's, S. E. corner Front and Princess streets.

I am Manufacturer's Agent for Barbed and all kinds of Wire, Combination Wire and Iron Fences. Orders solicited. James I. Metts.

There is a man in jail now who it is thought can tell something about the Falls murder. It is not wise at this time to make known his name.

The reports from the corn crop everywhere in this section are very fine and we may look for some of the new crop by the middle of August.

Reports come in that cotton is more flourishing than ever before known and it is believed that the first receipts will come very early this year.

Some of the stores on Front and Market streets are handsomely decorated with bunting, in honor of the Encampment, but the display is not near so profuse as it was last year.

A small frame house, on Fourth street, between Nixon and Taylor, was destroyed by fire about 1 o'clock this morning. It was occupied by a colored man as an ice cream saloon. The loss will not exceed \$50.

There was an alarm of fire yesterday afternoon about 6 o'clock from a small blaze on Tenth, between Princess and Chestnut streets. It was extinguished before the fire department reached the place and the damage was trifling.

Farmers, we can supply you with Peanut Sweepers and Diggers, Scraper and Coupler Points. Seven different size wings and two size points for the "Boy Clipper," the most improved plow on the market. N. Jacobi Hdw. Co., factory agents.

We have it now. A Pump that is always primed, never requiring a tub of water to start it. It is the bright invention of a North Carolina genius and is pronounced by all to be the best pump on the market. See it and you will have no other. N. Jacobi Hdw. Co.

William Fisher, an old colored man of generally evil reputation, was arrested this morning on suspicion of having found and retained the pocket-book advertised by us yesterday, the property of the well known colored carpenter and contractor, Jno. G. Norwood.

Gov. Fowle arrived here last evening at 5.40 o'clock, accompanied by Col. Cunningham, a member of his staff. He was met at the train by a number of citizens and conducted to the Orton House, where he passed the night, and went down to Wrightsville this morning.

It is reported that a colored man who was coming into town a day or two with a cart belonging to Mr. Francis M. Moore, of Brunswick county, was stopped on the causway opposite the city by highwaymen who demanded his money. The man whipped up his horse, however, and got away safe.

NOTHING ON EARTH equals Rough on Dirt Soap.

Several of the soldiers in camp at Wrightsville have gone home.

Mr. Josh G. Wright, Jr., has gone to Seattle, where he will embark in business.

Read Maj. McClammy's noble, patriotic card, published elsewhere in this issue.

Mr. Gil P. Kidder, who has been to South America, is here on a visit to his brother, Mr. Geo. W. Kidder.

The REVIEW always goes to press on Friday about 2 o'clock, so as to give our force the benefit of the half-holiday.

The watermelon crop hereabouts is very large, as it is everywhere in the South. You can buy a splendid melon now for a quarter.

The N. Jacobi Hardware Co. were busy this morning unpacking a large invoice of pistols and cartridges, just received by them.

Hon. Wharton J. Green arrived here yesterday afternoon and went down to Wrightsville on a visit to his daughter, Mrs. Pembroke Jones.

A gate has been erected on the turnpike at Wrightsville, near Capt. Manning's place, and all vehicles going to the Camp are obliged to pay toll.

Mr. B. G. Worth, who has been on a visit to his family, who are spending the Summer with relatives in New Jersey, returned to the city last night.

Messrs. Jackson & Bell have put in a four-horse power gas engine into their printing office to supply motive power there. It works beautifully.

There will be a german at the Island Beach Hotel to night and it is to be an unusually brilliant affair. The last train will leave the Hammocks at 12 o'clock.

Another fine rain at 12 o'clock today and the gutters on the North side of Market street, at its intersection with Front, was choked, backing the water up in the street.

Carolina Beach offers its usual attractions to those who want to spend their half-holiday quietly and pleasantly. The latest boat leaves at 5.30 and will leave on the return about 9 o'clock.

Maj. C. W. McClammy and Capt. John B. Hussey paid us a very pleasant visit this forenoon. Capt. Hussey is the representative of that sterling Democratic newspaper, the *National Democrat*, of Washington City.

Hon. C. W. McClammy arrived here last evening and went on to his home at Scott's Hill. He takes his defeat very gracefully and will work just as hard to help elect Grady as he would have done for McClammy.

The Seacoast Railroad will receive freight to be shipped only on the 6.45 a. m. train and the 12.30 train. Owing to the delay caused by accepting freight at any time for all trains this arrangement will be strictly adhered to.

Mr. T. R. Oglesby, formerly of this city but now representing Thomas Scribner & Co., of Philadelphia, is in the city today. We are glad to know that there is a prospect of his taking up his headquarters here again.

**Criminal Court.**  
The slander case which was on trial nearly all day yesterday in this court reached a verdict late in the afternoon. John L. Barker was found guilty of slandering his divorced wife, Miss S. J. Gardner. Solicitor Moore and M. Bellamy, Esq., appeared for the State and Messrs. Herbert McClammy and George Rountree for the defence. A motion for a new trial is to be made to-morrow.

The time of the Court has been occupied all of to-day, up to our close, in hearing the case of Dennis Horn, charged with highway robbery. Col. Moore, the Solicitor, appears for the State and Hon. A. M. Waddell for the defence.

**Bucklen's Arnica Salve.**  
The Best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box.  
For sale by Robert R. Bellamy, wholesale and retail druggist.

**Forecasts.**  
For North Carolina, rain and stationary temperature. Local forecasts, from 8 a. m. to-day, for Wilmington and vicinity, showers, with slight change in temperature.

**The Star of Bethlehem.**  
That particularly bright and brilliant star which may be seen these evenings a few degrees south of east is said to be the Star of Bethlehem, and some of the religious papers do not doubt the claim. It is said that this star makes its appearance once every 314 years.

**Progress.**  
It is very important in this age of vast material progress that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature and effects. Possessing these qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known.

**Very Sad News.**  
A telegram was received here today conveying the sad intelligence that Miss Julia Bear, a lovely and accomplished young lady, the only daughter of the late Mr. Marcus Bear, died at Boston this morning. There were no particulars. The remains will be brought here for interment beside her father in the Hebrew plat at Oakdale.

**That Glove Fight.**  
It will probably be a fair and pretty night, notwithstanding the fact that the clouds overhead are thick and the rain is coming down at this writing (noon) and there will therefore probably be a large attendance at the glove contest on Wrightsville Beach. Messrs. Layton and Dempsey are both in excellent trim, after a week of hard work at training, and the event promises to be one of much interest to all. The fight will begin at 8 o'clock.

**The Soldiers' Home.**  
Mr. W. C. Stronach, Secretary of the North Carolina Confederate Veterans' Association, has addressed a circular letter to presidents of county associations of the Confederate Veterans' Association of North Carolina, in which he says: "We are now ready to issue commissions to the ladies you may designate who will work in the interest of 'The North Carolina Soldiers' Home.' Please send in names to the Secretary, and he will forward commissions immediately."

**Threatening Vengeance.**  
The little son of Mr. N. F. Brandt, an engineer on the W. & W. R. R., was struck yesterday by a colored boy much larger and older than he is at the instigation, it is said, of a colored woman whose name we could not learn. Mr. Brandt went to the woman and questioned her in regard to the matter when she said did she urge the boy to strike his son and that she would do it again. Other words followed and Mr. Brandt admits that she incensed him so greatly that he struck her. He surrendered himself to the Mayor, admitting the offense.

It is said that some of the woman's friends have sworn vengeance against Mr. Brandt. He overheard some of their remarks, and told them that he should be prepared and it would be a bad day for them when they attacked him. Last night a gentleman and a lady were stopped at the corner of Fourth and Mulberry streets by a gang of colored roughs who enquired if that was Mr. Brandt and on being told that it was not him they volunteered the statement that it was good for the gentleman that he was not Mr. Brandt.

**Are You an Heir?**  
More than half a billion of dollars in unclaimed estates are awaiting the rightful heirs in England, Scotland, Wales and Ireland. Most of these heirs are in the United States, and have been advertised for in English papers. Thousands of heirs have never seen these advertisements. If your ancestor on your father's or mother's side came from any of the above-named countries do not fail to write to E. Ross, European Claims Agency, 227 Grand St., New York, and ascertain if you are an heir. Your deceased ancestor's rights are yours by British law. We have information of every estate and deceased person whose heirs have been advertised for in 125 years. Send postal note for 25 cents to insure information. If you are an heir we will recover the estate for you. No recovery, no fee.

**Two Hearts That Beat as One.**  
Miss Etta Hewlett, the charming daughter of Mr. W. S. Hewlett, and Mr. S. A. Grelsh were married last night at the residence of the bride's father, on Fifth street.

The ceremony was performed by Rev. Pather Moore, of St. Thomas' Church. A reception was held at the residence and a great many of the friends and relatives of the happy couple called to tender their congratulations. The wedding presents were numerous, handsome and costly.

**A CARD.**  
To My Friends of the Third Congressional District:

It is no time for regret. The success of the Democratic party and the domination of the white people in North Carolina is paramount to all other considerations. You made a valiant and determined fight to secure my renomination; from the 1st to the 17th ballot you proved to me your devotion, loyalty and confidence. I thank you for it. I deeply, profoundly and sincerely appreciate it. You are Democrats. Your first and last consideration is Democratic supremacy in North Carolina. Without the asking you, I know, will support my successor, B. F. Grady, of the noble, true, tried and patriotic county of Duplin. As you have supported me I ask you to follow me in the coming campaign.  
July 26th. C. W. MCCLAMMY.
