### Effie Ellsler.

There is a treat in store for theatre goers next week. The Effie Ellsler troupe, under the management of the veteran actor, Mr. John Ellsler, will play two nights, Tuesday and Wednesday. The Pittsburg Commercial Gazette says of their appearance in that city early this month:

Effie Ellsler was seen in a change of bill at the Opera House yesterday afternoon. It was a three-act comedy, "Miss Manning," whose humor is thoroughly enjoyable, and which pleased the audience. There is naturalness about "Miss Manning" and it is humorous. Miss Ellsler in the title role personated an heiress with a fortune which descends to her on condition that she marries before a certain time. A number of suitors seek her hand and fortune, and as Miss Manning is of a very roguish nature, she contrives to place the various suitors in very awkward situations. In fact, the complications she is the cause of form the motive of the comedy, but as they are most amusing they excuse the absence of any attempt at a plot. Miss Ellsler plays the part vivaciously and with enough coyness to make it most enjoyable. Frank Weston was intensely amusing in his efforts to portray the sufferings of Theocritus Kneezler, a victim of hay fever. Mr. John A. Ellsler was capital in his personation of the irascible and unreasonable Lawrence Manning. The rest of the cast was well acted.

#### PIANO AND ORGAN

CUSTOMERS ARE: THAT OUR INSTRUMENTS are carefully selected by the undersigned and bought directly from the manufacturer. We have a very large stock, comprising all grades and styles, to select from. All our Pianos are delivered and kept in tune the first year by two competent tuners. As we are right here, we are responsible, which is not the case when you send for Pianos or buy from travelling agents, for when anything is wrong you may have a guarantee but this does not repair your instrument. By economical management we can sell you instruments at least 20 per cent. lower than you have to pay to travelling agents, for you have to help pay their heavy expenses. The instruments you buy from us are right here and consequently you do not buy the "cat in the bag." Over 300 instruments sold in Wilmington alone is the best proof that the public have confidence in our judgment and integrity. We sell for cash or installments. E. VANLÄER, oct 13
