 There will be difficulty about that—none whatever.

**Thirteen townships heard from**  
 in Sampson county give Butler, for the Senate, 584 majority.

**Miss Florence W. Bennett, of Brunswick county, is in the city**  
 on a visit to her cousin, Mrs. Gorman.

**Visitors to our city should certainly not fail to call on the N. Jacobi Hdw. Co. for anything wanting in their line.**

**Use Regal Ready-mixed Paint, and have no other, if you want a good, durable article; for sale by the N. Jacobi Hdw. Co.**

**Now, who was it that came down town this morning and found his office door decorated with crepe? Don't all speak at once.**

**I am Manufacturer's Agent for Barbed and all kinds of Wire, Combination Wire and Iron Fences. Orders solicited. James I. Metts.**

**A large line of Breech and Muzzle loading Shot Guns, Air Rifles and Pistols; all grades at lowest prices. Wood Powder and sportsmen's supplies just received. N. Jacobi Hdw. Co.**

**John Haar will make an excellent Register of Deeds. He is a genuine level-headed, practical man of sense and judgment and he will fill the office with credit to himself and his constituents. Ah, ha! John Haar!**

**Hon. C. W. McClannay was at home yesterday, at Scott's Hill, where he went to cast his vote at the close of the campaign. He made his last speech at Burgaw on Monday where he met W. S. O'B. Robinson in debate and "wore him out."**

**A great excitement was caused recently by the conjunction of certain planets, said by astronomers to foretell deaths by cold, &c. But all anxiety was quickly dispelled by the sage remark of one old citizen: "What do we care! ain't we got Dr. Bull's Cough Syrup?"**

**A slight change of schedule goes into effect this evening on the Carolina Central R. R. The train which has heretofore left here for Charlotte at 9.30 p. m. leaves now at 8 p. m. There is also a change of a few minutes in the arrival and departure of the day train at Hamlet, coming East.**

**The judges of election constitute the county board of canvassers. They meet at the Court House here to-morrow at 12 o'clock to canvass the returns. The sheriffs of New Hanover and Pender counties constitute the board of canvassers for the Senatorial election. They meet and declare the result ten days after election.**

**We understand that Judge Russell says that in the event the canvassers should throw out Cape Fear township to-morrow and give the election to the Democrats he will carry the case to the Supreme Court of the State. Of course he will and he will be turned down there also. There is no Bond on that bench.**

**For scrofula, Salt rheum, etc., Take Hood's Sarsaparilla.**

**Apt alliteration's artful aid. Sheriff Stedman reads well, it writes well, it looks well, it feels well and it is well.**

**Mr. Richards, the artist, has just completed eight beautiful windows intended for the Presbyterian Chapel, on South Front street.**

**Nor. Barque Victoria, Jensen, cleared to-day for Bristol, England, with 2,000 barrels rosin and 988 casks spirits turpentine valued at \$21,550, shipped by Messrs. Paterson, Downing & Co.**

**The official returns from Pender county have not yet been received, but a telegram received here to-day states that Mr. Bellamy's majority will be between 125 and 150. With this he is elected.**

**"What a piece of work is man! how noble in reason, in form and moving," unless he has rheumatism, then he loses his god-like grace and limps sadly through the world. He shouldn't though. He should use Salvation Oil.**

**Bro. Bellamy will make his mark in the Senate at Raleigh. It is the first time we have had a Democratic Senator down this way since 1872, when through a split in the Republican party here, we managed to elect Maj. C. W. McClannay. Capt. S. A. Asbe was at the same time elected to the lower house from New Hanover.**

**Col. Taylor will make a splendid Clerk of the Superior Court. He is one of the most popular Democrats in Wilmington, one of the most capable and one of the most faithful. In 1874, we think it was, we had him on the ticket for this office and hoped to get him in through a split in the G. O. P. here, but we failed that time.**

**There have been big gains for the victorious Democracy. The majority in the House will not be less than forty and it may run up to pretty near a hundred. Indiana gives us ten districts with the prospect of eleven. The legislatures in New Hampshire and Indiana are surely Democratic. Pennsylvania, Massachusetts and New Hampshire all elected Democratic Governors. By having a Democratic legislature in New Hampshire we get a Senator from the State to succeed Senator Blair.**

**Bucklen's Arnica Salve. The Best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box.**

**For sale by Robert E. Bellamy, wholesale and retail druggist.**

**Forecast.**  
 For North Carolina, fair and stationary temperature.  
 Local forecasts, from 8 a. m. to-day for Wilmington and vicinity, fair weather and slight changes in temperature.

**Y. M. C. A. Week of Prayer.**  
 Mr. W. G. Burkhead, of Whiteville, will deliver an address at the union meeting to be held at the First Presbyterian Church next Sunday afternoon at 5 o'clock, under the auspices of the Young Men's Christian Association.

**The plan for the week will soon be completed, but at present it is decided that two Bible readings will be given each day, one at 4 o'clock at the Y. M. C. A. rooms, which will be specially convenient for ladies, and at 8 p. m. each day (the place will be announced later) which will be open to the public.**

**Cape Fear Township.**  
 There is a pretty strong case this time against Cape Fear township, and we think it will surely be thrown out. In that township it is alleged that not only was the registration illegal but that the polling was illegal also. The registrar was sick and some one unauthorized to do so assumed control of the books and registered people. The election was conducted by poll-holders who had not been sworn. The best legal advice in the city has been sought and obtained and the opinion is positive that the election there was illegal. Republicans themselves must admit that the precedents are all against them.

**His Election is Sure.**  
 Mr. J. Allen Taylor, son of Col. John D. Taylor and a partner in the wholesale grocery firm of Jas. C. Steynson & Taylor, was married in St. James' Church this morning, at 8:15 o'clock, to Miss May B. French, one of our most lovely and accomplished young ladies and daughter of the late Hon. R. S. French. The beautiful ceremony which made them man and wife was pronounced by the Rector, Rev. Robert Strange. Mr. Walker Taylor was best man and the attendants were Miss Fanny Taylor and Miss May B. French. The ushers were Messrs. E. S. Tennent, DuVal French, Brooke French and John D. Shaw, Jr. The happy couple left on the 9 o'clock train on the W. & W. E. R. for an extensive tour North and East.

**U. S. District Court.**  
 The U. S. District Court, Judge Seymour presiding, convened at the U. S. Court Room in this city to-day. The following were empaneled as a grand jury for the term: E. F. McRae, foreman; W. H. Thompson, Monroe Byrd, J. W. Wright, D. A. Smith, Jas. H. Stevens, Clayton Giles, O. W. Satton, A. H. Morris, Thos. M. Williams, Jos. D. Smith, Mitchell Dove, Willis Culbreth, Holly Williams, Noah Bennett, Adam Brown, J. A. Oates, C. H. King.

**The following cases were called this forenoon.**  
 Hannibal Pope, charged with violation of Sec. 3296, R. S., in breaking a lock and assisting in the entering of a bonded warehouse. Case continued on account of sickness.

**James Casey, for selling liquor without a license. Continued to next term.**

**Job Hiatt, for selling liquor without a special license. Case continued.**

**Children Enjoy**  
 The pleasant flavor, gentle action and soothing effects of Syrup of Figs, when in need of a laxative and if the father or mother be costive or bilious the most gratifying results follow its use, so that it is the best family remedy known and every family should have a bottle.

**New Hanover.**  
 The result in New Hanover is as yet one of the elements of uncertainty, not so much because the returns have not been received, but because of Cape Fear township, which may be thrown out in consequence of irregularities there. The returns are, indeed, not yet all in, but enough is known to justify the assertion that Mr. Bellamy has been elected the State Senator from the district composed of New Hanover and Pender counties. With the vote of Cape Fear the Republican county ticket is elected; without it the Democratic ticket is elected. The claim in this township is that the registrar went off and left some one else to attend to his duties as registrar. The matter will come up before the County Board of Canvassers to-morrow, who will decide the question as to its merits. The official returns from Cape Fear and Federal Point townships are not yet in and hence there can be no correct tabulation of result as yet.

**The Elections.**  
 The results of the elections yesterday, so far as the news has been received, are very gratifying. The predictions which have been so freely made as to the strength of the next House have been fulfilled. The Democrats have not only gained control of that body but the majority, according to the returns as received, cannot be less than 80, the figures we have been counting on. It may exceed this, indeed, and probably will. But 30 is safe enough and although the figures may run up to twice that number yet the practical results will be the same.

**In North Carolina we have done nobly. A few days ago we stated in these columns that the majority would not be less than 40,000 in this State and we are now rather inclined to add to these figures than to take any off. We have carried eight of the nine Congressional districts and this is a gain of two to**

**help swell the majority in the next House. It is possible that we may have carried every district but as to this we are in doubt as yet. It is by no means sure that Cheatam is elected in the Second.**

**In New York city there has been a fierce fight. It was Tammany against the field. There was a fusion ticket in opposition led by the counties, Tom Platt and ex-Mayor Grace. They have been whipped out of their boots and Tammany, the only truly Democratic organization in the city, and the most powerful in the country, is still serenely on top. The Democrats have been very successful in the State at large, gaining four or five Congressmen and probably electing enough members of the lower house of the General Assembly to ensure the election of a Democratic Senator to succeed Mr. Evarts. Pennsylvania has gone Republican; although the Democrats do not concede this. Harrison had a plu-**
