**Bishop Keener in the City.**  
Bishop Keener, the Senior Bishop of the Methodist Episcopal Church, who has just closed the Conference at Concord, at which he presided, arrived in the city last night where he will remain until he proceeds to Wilson next week to hold the Conference there. He was met at the depot by Mr. W. M. Poisson and Col. Roger Moore, of the official board of Grace M. E. Church, and was conveyed to Col. Moore's residence, where he will remain while in Wilmington. Bishop Keener will preach at Grace M. E. Church at the dedicatory services on Sunday next.

**Next Week's Engagement.**  
The New York Novelty Co. will play here all of next week, at the Opera House, opening on Monday night in "Jack's Sweetheart," a very pretty and enjoyable comedy. They will play at popular prices, 10, 20 and 30 cents, and at this rate all can get nearly a week's enjoyment for the amount usually paid for one night's entertainment.

The troupe come to Wilmington excellently recommended. They play in Raleigh this week where our exchanges tell us that they have good houses and play well. "Jack's Sweetheart" was produced there last Monday night and the three dailies of that city spoke highly of the result. Mr. P. B. French seems to be the leading gentleman and Miss Helen Minkley, the first lady, is described as "a winsome and clever little artist who has become quite popular with theatre goers." The company have a fine repertoire and they will produce some of the best selections therefrom next week.

**Second Regiment N. C. S. G.**  
The election of officers of the Second Regiment N. C. S. G. was held last night at the O. Rton.

The meeting was organized by calling Capt. J. F. Bruton, Co. F, to the chair and appointing Capt. W. A. Johnson, Co. A, secretary.

The officers present were W. R. Kenan, Captain Co. C; D. T. Cronly, Lieut. Co. C; Jno. F. Bruton, Captain Co. F; H. R. Thorp, Captain Co. D; W. A. Johnson, Captain Co. A. Twelve officers were present by proxy.

President Bruton stated the object of the meeting for a biennial election of field officers, in compliance with General Orders No. 15.

Col. W. C. Jones was placed in nomination for the colonelcy and was unanimously elected.

Capt. Jno. F. Bruton, of Co. F, was nominated and duly elected Lieutenant Colonel.

Maj. W. L. Faison was then re-elected Major without opposition.

The secretary was ordered to notify the newly elected officers of their election, and the meeting then adjourned.

Immediately at the close of the meeting the officers were all invited into the spacious dining room where a delightful feast had been spread for them, and later in the evening the "Old North State Band," the Second Regiment Band, serenaded the officers.

**The Wilmington Library.**

There is no question but that the Wilmington Library Association, under the able management of Capt. W. H. Bixby, is in a far better condition than it ever has been previously in the history of that institution. From a report drawn up by him recently, which is to be submitted to the Board of Directors, we get the following facts:

The Library Association has made excellent progress since last year. Then there were only 51 paying members—now there are 119; a gain of 150 per cent. There are now 177 different magazines on its tables, of which 135 are bought and the rest loaned by members. About 130 volumes of general literature, a large number of public documents, a complete set of Coast Survey reports and 400 maps, and a copy of the Encyclopaedia Britannica have been received during the past year. The Library has also been a U. S. public depository of governmental publications. A table, three table covers, eleven book cases, four periodical cases, twenty newspaper files, two newspaper racks, and a transparency have been added to the furniture, while the old book cases and newspaper cases have been remodelled and painted. About twenty pictures have been mounted and fixed upon the walls; and the old carpet relaid in a neat manner. The books have been all taken several times from their shelves, cleaned, repaired, re-placed and arranged in systematic order according to their subject matter and order. A list has been made of the entire collection, and a card catalogue has been added to enable persons to find quickly and readily any book in the library. This card catalogue is equal in thoroughness to that of any library in the United States.

Visitors to the library (and they are increasing in numbers each day) are beginning to appreciate the use and value of a trained librarian—and ours is one of the best in the country. One square advertisement has been inserted in all the daily papers, over 10,000 circulars as to the library have been distributed about the city, and everything done to invite the public to the rooms. A series of eight stereopticon lectures and two concerts have been given under the auspices of the Library during the past year.

This library is a credit to the city and should by all means be encouraged and sustained. Capt. Bixby's efforts have been a labor of love and not of money. He is anxious to see it placed upon a high plane of usefulness and profit to its members and he has therefore freely given of his time and energy to accomplish so desirable a result. There is every encouragement now to hope for a greater degree of prosperity next year, and with this end in view, arrangements will be made for a series of pleasing entertainments during the winter.

**Dr. Creasy in Concord.**

Rev. W. S. Creasy, D. D., Pastor of Grace M. E. Church, has returned to the city, from Concord, where he has been in attendance on the Western Conference. The Standard says of his presence in that town:

"Tuesday night the Forest Hill Methodist church was packed almost to its utmost capacity to hear a sermon by Rev. Walter S. Creasy, of Wilmington. Mr. Creasy is remembered here with nothing but the warmest love, having labored here as pastor of the Methodist church for four years. His sermon was full of good sense, of loving tenderness, and was spiced with many appropriate illustrations. The speaker showed that he had not lost any of his youthful vigor."

**Marriage at St. John's.**  
Mr. Edwin J. Justice, of Rutherfordton, and Miss Lila Davis, daughter of Mr. DuBrutz Cutlar, of this city, were united in the holy bonds of wedlock last evening at St. John's Church by the Rector, Rev. Dr. Carl Michael, assisted by Rev. C. L. Arnold, of St. Stephen's, Goldsboro.

The spacious church was filled to its utmost capacity long before the hour appointed for the ceremony. Mr. E. P. Boatwright presided at the organ and the choir consisted of Mrs. Thorburn, Miss Florence Bowden, Miss Gabrielle DeRosset, Miss Lizzie Waddell and Messrs. H. M. Emerson, Ajax, S. Holden and Julius Barbot.

Miss Lula Cutlar, sister of the bride, was maid of honor, and Mr. Dick Hackett, of Wilkesboro, was best man.

The bridesmaids and groomsmen were as follows:

Miss Eliza Potter with Mr. DuBrutz Poisson; Miss Susie Massie, of Virginia, with Mr. Frank L. Hugins, of Wilmington; Miss Meta Harden, of Savannah, Georgia, with Mr. DuBrutz Cutlar, Jr., of Wilmington; Miss Sue Meares, of Charlotte; Miss Mary Van Winkle, of West Virginia, with Mr. W. Alden James, of Georgetown, S. C.; Miss Jeannette Lewis, of New Jersey, with Mr. F. S. Clark, of Wilmington.

After the marriage an elegant reception was given at the residence of the bride's parents, and at its conclusion the happy couple left on the train for a trip to the South. A great many beautiful wedding presents were received.

"Be happy and content!" You need not suffer any longer from pains brought on by gout or rheumatism, for all these ailments are now easily cured by Salvation Oil. It costs only 25 cents.
