English Reports in Law and Equity.

Proposals by LITTLE & BROWN, for publishing by subscription a New Series of LAW AND EQUITY REPORTS.

THE want of some system by which the de cisions and judicial opinions of the several Courts of Law and Equity in England can be more promptly and cheaply furnished to the legal profession in this country, has long been seriously felt and acknowledged.

The subscribers propose to republish these reports in full, as fast as they appear in England, and can be received here. They will contain reports of cases decided in the House of Lords, the Privy Council, the several Courts of Equity, the Court of Queen's Bench, the Court of Common Pleas, the Court of Exchequer and Exchequer Chamber, the Ecclesiastical and Admiralty Courts, the Court of Bankruptey, including also the Election Cases, the Crown Ca-

ses Reserved, and the Railway and Canal Cases.
