Every member for life participates in the profits of the Company; and the annual premium for life membership, where it amounts to $30 or more, may be paid one-half in cash, and the other half in a note at 12 months.

Debtors' lives may be insured by creditors. A man may insure his own life for the exclusive benefit of his family. The lives of slaves may be insured.

This system is rapidly growing into favor, all over the civilized world. It is one by which a family, for a small sum annually, may be provided for, after the death of its head, on whose exertions they may have been dependent for a support. It is a good investment of money, even if one should live long after taking out a Life Policy. Explanatory pamphlets, and the necessary Blanks, furnished on application.

WHOLESALE
Watch and Jewelry Store.
L. H. MILLER & CO.,
Importers, Manufacturers and Jobbers of Watches, Jewelry, and Fancy Goods,

Have leased the Old Stand formerly occupied by Messrs. Canfield, Brother & Co., *South East corner of Charles and Baltimore streets,* (No. 227,) which they are putting in complete order for the WHOLESALE WATCH AND JEWELRY BUSINESS, to be opened about the 20th of July.

In calling the attention of the trade to the new concern, we mention the fact that we are associated with one of the most extensive Jewelry Manufacturing Establishments in the country, which must give a decided advantage over all others in this market for supplying dealers with Jewelry at manufacturers' prices, a feature in this branch of trade long since needed between Baltimore and the Southern and Western Merchants.

We desire to call particular attention to the Watch department, which will at all times be supplied with a great assortment from the most celebrated manufacturers, and kept in perfect running order, so that purchasers may at once take them, with a written guarantee that they will perform correctly.

This branch of the business will receive the especial attention of one of the firm, whose extensive and practical knowledge of the business will, we hope, give us a place in the confidence of buyers.

We respectfully invite you to call upon us when you next visit our city, confidently believing that an examination of our Goods will prove to you that they are better styles and cheaper than you have ever seen in this market, and assure you that no effort shall be wanting on our part to make the acquaintance one of mutual benefit.
