THE MOST EFFICACIOUS REMEDY EX-

ANODYNE COUGH DROPS. The success of this remedy outstrips the use of anything of the kind. From persons of the first respectability residing in different parts of the country, I have received flattering accounts, and among them the following.

Midway, Ga., April, 1848. Dr. Little-Dear Sir: Your Anodyne Cough Drops have been used in several cases in my family, with most excellent effect; in fact, we found it much superior to the Balsam of Wild Cherry, or anything else we ever gave for coughs or colds. In whooping cough it proved so effectual as to prevent it doing much harm in any way. Yours, &c.,

JOSEPH LANE. Dr. Little-Sir: Not long since, one of my FOR SALE.

children, quite a stout and healthy child, was for several days much troubled with a wheezing and occasionally difficult breathing, pain about ands are situated on Little River, Montgomery | ing it might be worms, we gave her your Ver-County, nine miles above its confluence with the mifuge, when entire relief was had by the ex-

During the month of March, I had an attack f soil to any in North Carolina, containing near | Under the advice of yourself and Dr. Moyer, I took two or three bottles of your Anodyne

[Signed] Talbotton, June, 1848. The Rev. Mr. Jackson writes as follows: Dr. Little-Dear Sir: For years past I have been subject to a severe cough, and soreness of the lungs, scarcely getting through one attack before another came on, especially when a little exposed. Such was its obstinacy at times, that I was apprehensive it was of a fatal tendency. To cure it, many things were necessarily used, but without success. Two years ago, I tried the Balsam of Wild Cherry, without being much benefited, when your Anodyne Cough Drops were recommended. Of these I took but a few doses before I felt much relieved; I continued with other necessary out-buildings; and also a to improve daily, until the cough and other symptoms ceased. For awhile afterwards, when I felt any return, a few doses of the medicine chase land of the most superior quality, will stopped it. The past winter, indeed for a year previous, I have not had much of an attack.

fine effect indeed. [Signed] J. 1 Talbot county, April, 1848.

The fac-simile of the signature of Dr. W. G. Little will be found upon the outside wrapper of each of his Medicines. Sold wholesale and retail, by the Proprietor, at his Manufacturing Depot, No. 264 Market street, Philadelphia, and Macon, Georgia.

To be had also of James Cain, Rockfish A. Watson, Floral College; Townsend & Douglass, Bennettsville; Dr. P. M. Cohen, Charleston; C. C. Barbee, Barclaysville; P. F. Pescud, Raleigh.
