WHOLESALE

Watch and Jewelry Store

L. H. MILLER & CO.,

Importers, Manufacturers and Jobbers of Watches, Jewelry, and Fancy Goods,

Have leased the Old Stand formerly occupied by Messrs. Canfield, Brother & Co., *South East corner of Charles and Baltimore streets,* (No. 227,) which they are putting in complete order for the WHOLESALE WATCH AND JEWELRY BUSINESS, to be opened about the 20th of July.

In calling the attention of the trade to the new concern, we mention the fact that we are associated with one of the most extensive Jewelry Manufacturing Establishments in the country, which must give a decided advantage over all others in this market for supplying dealers with Jewelry at manufacturers' prices, a feature in this branch of trade long since needed between Baltimore and the Southern and Western Merchants.

We desire to call particular attention to the Watch department, which will at all times be supplied with a great assortment from the most celebrated manufacturers, and kept in perfect running order, so that purchasers may at once take them, with a written guarantee that they will perform correctly.

This branch of the business will receive the especial attention of one of the firm, whose extensive and practical knowledge of the business will, we hope, give us a place in the fincondece of buyers.

We respectfully invite you to call upon us when you next visit our city, confidently believing that an examination of our Goods will prove to you that they are better styles and cheaper than you have ever seen in this market, and assure you that no effort shall be wanting on our part to make the acquaintance one of mutual benefit.
