HOTEL FOR SALE.

THE Hotel at present occupied by John Harmon, formerly known as the Planters' Hotel, near the foot of Hay Mount, Fayetteville, is offered for sale; and possession can be had whenever desired. The House is large and commodious, has been thoroughly repaired within the last twelve months, and is now, together with all the necessary out-buildings, in complete and handsome order. It now enjoys a large share of the local and transient custom, which, in the hands of a competent tenant, must be greatly increased by the existing Plank Roads and contemplated Rail Road. (the Depot of which will probably not be far from this House.) These considerations make it a very desirable property to any one wishing to engage in the Hotel business, or to a capitalist desirous to make an investment in property increasing in value.

The terms will be made accomodating.

WOULD respectfully inform the public that he is still at his old stand carrying on the above business in all its branches. He returns thanks for the liberal patronage he has received, and hopes by a strict attention to business, and a desire to please all and give general satisfaction, to merit a continuance of the same.

He warrants all his work to be made of the best material and by experienced workmen,—having a more *experienced* and *practical Smith*, he flatters himself that his work will compete with any made in the State for style, elegance and durability; and should any of it fail in twelve months (with fair usage) either in workmanship or material, he will repair it free of charge.

Persons wishing to buy, would do well to call and examine his work as he is determined to sell low for cash or on short time.

Orders thankfully received and promptly attended to.

The editor said, Dec. 22d—

"Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use.

Look well to the marks of the genuine. They have the written signature of C. M. Jackson upon the wrapper, and the name blown in the bottle, without which they are spurious. For sale, wholesale and retail, at the
