COL. BENTON'S HISTORY.

question) asked me if I was the blood-relation of first notice I had of the affair.

him on the point of not returning the fire since and said: "I protested against that hair trugger." night before—of the late sitting—the child asleep ly an accident, and it was so unanimously declar the unconscious tranquility of Mrs. Ciay; and ed. Another pistol was immediately furnish added, I could not help reflecting how different an exchange of shots took place, and, happi all that might be the next night. He understood without effect upon the persons. Mr. Randelph me perfectly, and immediately said, with a quibble struck the stump behind Mr. Clay, and ctude of look and expression which seemed to re- Mr. Clay's knocked up the earth and gravel b bank down Pennsylvania avenue, new Corcoran carry it out. & Riggs's-Johnny following, as always, forty

"Mr. Randolph asked for the state of his account, was shown it, and found to be some four thousand dollars in his favor. He asked for it. The teller took up packages of bills, and civilly posed to give out the words with more deliberate- refused to publish them. The teller took up packages of bills, and civilly uses, so as to prolong the time for taking aim.—asked in what sized notes he would have it. If This information grated harshly upon his feelwant money,' said Mr. Randolph, putting emphasis on the word; and at that time it required ings. It unsettled his purpose, and brought his a bold man to intimate that United States Bank mind to the inquiry (as he now told me, and as I notes were not money. The teller, beginning to understand him, and willing to make sure, said, mediately written in pencil to apprize me of his

brought about a compromise. The pieces of gold not, then, disable him? Yes, if I please. TEXTRACT FROM COL. BENTON'S "THIRTY YEARS were received, the cart and the silver dispensed It has been seen by the statement of Gen. check taken for the amount on New York. He was a misapprehension; that Mr. Clay had not were confined mostly to the character of the bet-It was Saturday, the first day of April, towards of getting sure aim, but only to enable his unused hand, long unfamiliar with the pistol, to fire their capacities as a whole, or if their producing read before I got to the ground. This slip was a within the limited time; that there was no pronoon, the Senate not being that day in session, that Mr. Randolph came to my room at Brown skilled, and find so many pieces of gold—I believe but he was in doubt, and Gen. Jesup having won Hotel, and (without explaining the reason of the nine-take three for myself, and give the same the word, he was having him repeat it in the way others which are much less fertile. But these number to Tatnall and Hamilton each, to make he was to give it out when his finger touched the lands have not been fully tested, though they

which he would commit to no other person: it who, though agreeing to be shot at, had no desire which he would commit to no other person; it was, that he did not intend to fire at Mr. Clay. He told it to me because he wanted a witness of his intention, and did not mean to tell it to his second, or anybody else; and enjoined inviolable secreey until the duel was over. This was the ness in counting off the time, which being communicated to Col. Tainall, and by him to Mr. All hope of accommodation having vanished, Randolph, had an ill effect upon his feelings, and,

place to cross the Potemac into Virginia at the ing downwards, and almost to the ground, it fired Little Falls Bridge. I had heard nothing from Instantly Mr. Bandolph turned to Col. Tatnall worn, and added the motto, Factis non cerbis, of the first communication to that effect eight days (fol. Tatnall took blame to himself for having before. I had no reason to doubt the steadiness spring the hair. Mr. Clay had not then received of his determination, but felt a desire to have his pistol. Mr. Johnson, (Josiah,) one of his some fresh assurance of it after so many days' seconds, was currying it to him, and still several delay, and so near approach of the trying mosteps from him. This untimely fire, though clear-ment. I knew it would not do ask him the ly an accident, necessarily gave rise to some requestion—any question which would imply a doubt of his word. His sensitive feelings would be hurt and annoyed at it. So I fell upon a scheme to get at the inquiry without seeming to make it. I told him of my visit to Mr. Clay the night before—of the late sitting—the child askeep.

The unconscious tranquility of Mrs. Clay; and the could spend say half of his vice with an evolution of the parties exchanged cards, and treated in order to bring up their productiveness ing accident. She was in the act of combing her marks, and a species of inquiry, which was conducted with the amount uses ing accident. She was in the act of combing her marks, and a species of inquiry, which was conducted to a standard higher than they possessed in the last high-toned duel first periods of cultivation. I shall become a standard higher than they possessed in the marks, and a species of inquiry, which was conducted with the utmost delicacy, but which, in itself, was of a nature to be inexpressibly painful to a gentlement's feelings. Mr Clay stopped it to a gentlement's feelings were formally and courteously resolute than they possessed in the dueted with the utmost delicacy, but which, in itself, was of a nature to be inexpressibly painful to a standard higher than they possessed in the dueted with the utmost delicacy, but which, in itself, was of a nature to be inexpressibly painful to a standard higher than they possessed in the back it caught on a shaft of a standard higher than they possessed in the dueted with the utmost delicacy. It was about the last high-toned duel first periods of cultivation. I shall be considered with the utmost delicacy, but which, in itself, was of a nature to be inexpressibly painful to a standard higher than they possessed in the dueted with the utmost delicacy. It was about the last high-toned duel to a standard higher than they possessed in the dueted with the utmost delicacy. It was about the last high-toned duel to a standard higher than they possessed in the dueted with the utmost delicacy. It was a question—any question which would imply a marks, and a species of inquiry, which was condoubt of his word. His sensitive feelings would be hurt and annoyed at it. So I fell upon a itself, was of a nature to be inexpressibly painful buke an unworthy doubt, "I shall do nothing to hind Mr. Randolph, and in a line with the level distarb the sleep of the child or the repose of the of his hips, both bullets having gone so true and mother," and went on with his employment- close that it was a marvel how they missed. The his seconds being engaged in their preparations moment had come for me to interpose. I went in a different room -which was, making codicils in among the parties and offered my mediation, To Mr. Mocon he gave some English shillings, to demanded another five. The seconds were directly and required another five. The seconds were directly the planter will be useless; it will fail, and the planter will be useless; it will fail, and the planter will keep the game when he played whist. His name ed to re-load. While this was doing I prevailed the Washington Union (says the Providence be disappointed. He will say to his neighbors though nothing remarkable had happened.

\*\*Filter theory of the Providence of the Washington Union (says the W sake, John Randolph Bryan, then at school in on Mr. Randolph to walk away from his post, and Journal) "excommunicating the Buffalo Republic Baltimore, and since married to his niece, was renewed to him, more pressingly than ever, my -said to have received, in manuscript, the persent for to see him, but sent off before the hour for going out, to save the boy from a possible shock at seeing him brought back. He wanted some gold—that coin not being then in circulation, and only to be obtained by favor or purchase and only to be obtained to him, more pressingly than ever, my importanties to yield to some accommodation; but have favor for the favor favor for the favor tion, and only to be obtained by favor or purchase—and seat his faithful man, Johnny, to the United States Branch Bank to get a few pieces, American being the kind asked for. Johnny reduced the asked for Johnny reduced turned without the gold, and delivered the excuse interpretation, and as having been the immediate or likewise with some fat Government jeb. The that the bank had none. Instantly his clear silver-toned voice was heard above its natural pitch,
