**SALES OF LOTS ON**  
**Beaufort Harbor.**  
THE Carolina City Land Company will sell to the highest bidder on their premises, at White Hall, on Monday the 21st day of October next, a large number of valuable lots.

The lands of this Company front about two miles on the most accessible and best part of the Harbor, and are considered the most valuable out. They are in full view of the Ocean, and will be handsomely and advantageously laid out for business and pleasure. No improvement can be made with Central or Western reference, as the waters contained in the Harbor, without benefiting these lands. The Carolina City Company, aware of this fact, beg leave to say that they have no agents or drummers in the Western part of the State; or any where else, offering to sell lots at a low rate to some individuals, but that all the lots on their land are required by the articles of agreement, to be to the highest bidder.

The gentlemen who compose this Company have made arrangements to improve their lands to the amount of \$100,000. During the winter and ensuing spring, a large Hotel will be built, Wharves, Turbentine Docks and a Steam Saw Mill will be put in operation. There is excellent clay on the premises for making brick and also on the adjacent waters; and as experience has proved the importance of fire proof buildings in a commercial place, the board will not allow any but substantial fire-proof buildings to be permanently erected on any lands they may sell.

To persons who may prefer, the board will lease his lots for terms of years. They respectfully invite all persons who may be interested, to be present at the sale and see the lands themselves. Especially mechanics, slip carpenters, brick masons, &c., as for them no richer harvest can be promised than the future prospects of Carolina City.

**Terms of Sale.**  
One fourth each—the balance in installments of 12, 18 and 24 months, interest from date.  
All letters on business of the Company address to John M. Rose, Secy., Fayetteville, N. C.  
By order of the board,  
T. R. UNDERWOOD, President,

**LIFE INSURANCE.**  
THE undersigned has been appointed Agent of the North Carolina Mutual Life Insurance Company. Every member of life participates in the profits of the Company, and the annual premium for life membership, where it amounts to \$300 or more, may be paid one-half in cash, and the other half in a note at 12 months.  
Persons whose lives may be insured by creditors. A man may insure his own life for the exclusive benefit of his family. The lives of slaves may be insured.  
This system is rapidly growing into favor, all over the civilized world. It is one by which a family, for a small annual outlay, may be provided for, after the death of its head, on whose exertions they may have depended for a support. It is a good investment of money, even if one should live long after taking out a Life Policy. Explanatory pamphlets, and the necessary blanks, furnished on application.
