ESPECTFULLY informs his friends and the growth One great source of its security is the wide distribution of its risks—a pelicy which it pursues with great strictness—limiting the amount to be covered in each locality. By this course it has passed with comparative impunity, through some of the most sweeping and destructive fires, which have swallowed up their companies less cautious in their business. It is a system like this, based upon experience, which gives stability and soundness to a company, and to the assured confilence and security.—Baltimore Patriot. work in his line on as good terms as any work dot elsewhere that is as well done.
