HE Presbyterian Church in North Carolina has

long labored under a serious disadvantage from the want of a journal to advocate her claims and represent her interests. It is estimated that only 1000 Presbyterian Weeklies are taken in the bounds of our three Presbyteries. We have 13,000 Communicants and it is safe to infer that there are 30,000 Presbyte. rians in principle in the State. Our Synod stands fifth in the Union in point of numbers, and her membership is greater than that of any Synod South or West of Pennsylvania. Our sister States on the North and South, neither of which has a membership so large as ours, publish the Central, and the Southern Presbyterian, for the benefit of their people. time has come when the Presbyterian Church in North Carolina should likewise do her duty to her children. It is a conceded and important fact, that hundreds of our members will take a State paper who will take no other. The Paper is needed to be the organ of our Synod and Presbyteries—to elevate and enlighten the piety of our membership by diffusing evangelical knowledge-to promote the cause of Education-to develope the talents of our Ministry, and to strengthen the attachment of our people to the soil and sanc-

If our Church in other States, and other Churches in this State, can supply their members with a Religious journal, why may not we?
