# OBSERVER. FAYETTEVILLE

THERSDAY EVENING, NOVEMBER 12, 1857.

en! by telegraph at Petersburg:-

New York, Nov. 9.—The hunger mob charge friends of the bankers, but of the people, in uotes at 43 to 6 per cent. discount. Mayor Wood with humbuggery, and threaten t Mayer wood with humouggery, and threaten to framing those charters. Well, one might reasonin sent to protect him. Assistant Treasurer | ably hope, that these institutions of their own lographed to Washington for troops to protect the wit of man could make them, and that they cheering aspect. e Sub-treasury, Marshal Rynders has also teleraphed for troops.

The condition of things is certainly in the ness, at the hands of their creators. But what do highest degree alarming in New York, Philadel- we see? The democrats not only make the banks, hia, Newark, and perhaps other cities in which housands of workmen and laborers have been as much as they can by borrowing money from branches of trade and commerce. thrown out of employment by the panic. These them whenever they want it and can get it. But ited by the outrageous demagogism of Mayor country, and make it expedient for the public Wood, in his late electioneering Message to the good for the banks to suspend specie payments.

pense of the city, and that if not so fed they after those who, having no hand in creating them. would be excusable if they helped themselves to are yet willing to have justice done them, and any body's property. He also said that it will be unwilling to cry them down because Locofocoism better to feed the vicious who will avail them- when it created them failed to make them perfect. elves of an opportunity to plunder and pillage, Oae harps upon their authority to issue two or han to pay the citizens for their property after it three dollars in notes for one of capital, as an s stelen or destroyed. Such loose morality as evil. Well, who put it in the charters? The he naturally had its effect upon the "vicious," Locofocos. But that cannot be an evil when the ther advance having been realized on the leading ad they appear to be on the eve of putting it in banks really issue less than one dollar for every and they appear to be on the eve of putting it in aractice. One of them told his followers, in a dollar of capital. If it be wrong to issue less than the volume of loans and discounts; the increase is peech from the steps of the Custom House in Vall street, that "there were twenty millions of which induced the Locofocos to allow an issue of mars in that street, while they were starving for three for one? Another complains that if an in-

ant of work." The meetings and processions are composed al- while the banks only suspend, and the public nost entirely of foreigners.
