This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Roerhave, Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

knowing that its truly wonderful medicinal virtues must be ucknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordist, possessed of singular remedial properties.

PROSPE TUS

THE NORTH CAROLINA PRESBYTERIAN. HE Presbyterian Church in North Carolina has long labored under a serious disadvantage from the want of a journal to advocate her claims and represent her interests. It is estimated that only 1000 Presbyterian Weeklies are taken in the bounds of our three Presbyteries. We have 13,000 Communicants, and it is safe to infer that there are 30,000 Presbyterians in principle in the State. Our Synod stands fifth in the Union in point of numbers, and her mem-bership is greater than that of any Synod South or West of Pennsylvania. Our sister States on the North and South, neither of which has a membership so large as ours, publish the Central, and the Southern Presbyterian, for the benefit of their people. The time has come when the Presbyterian Church in North Carolina should likewise do her duty to her children. It is a conceded and important fact, that hundreds of our members will take a State paper who will take no other. The Paper is needed to be the organ of our Synod and Presbyteries-to elevate and enlighten the piety of our membership by diffusing evangelical knowledge—to promote the cause of Education—to

develope the talents of our Ministry, and to strengthen the attachment of our people to the soil and sanctuaries of their own State.

If our Church in other States, and other Churches in this State, can supply their members with a Religious journal, why may not we? Are North Carolina Presbyterians inferior in talent, energy and patriotism to their neighbors on the North or South, or to Christians of other denominations at home? With the same or better opportunities of accomplishing this work, shall we leave it undone? In the language of one of our most able and useful Ministers, an adopted son of our State, "It ought to have been undertaken 20 years ago, but it is not too late to begin to do right."

In the last two or three months, a fund of about \$5000 has been subscribed as a permanent capital. At a meeting of the contributors, held at Greensbo-NOTICE.

D. G. MeDHEFFE Cook and David Murphy were appointed an Executive Committee, to establish the Paper and manage its

business affairs. It is our wish and design to make the North Caro-LINA PRESBYTERIAN a journal of the first class, equal to the best in the country in typographical appearance and in adaptation to the wants of our Churches. Its columns will afford the latest intelligence, both foreign and domestic, and special care will be taken to give a full and accurate summary of State news. The name of the Paper is designed to be an exponent of its character and contents. From conviction, it will advocate the conservative, orthodox, Old School doctrines and order of the Church. Our first appeal is to our own people—to N. C. Presbyterians. Whilst we rely confidently upon the favor, we trust that the native sons of North Carolina

who have found homes in other States, and the adopted citizens of our State who form so important an end of the year. To clubs of 25 or more, paying in advance and when the Paper is sent to one address, a discount of 10 per cent. will be allowed. Our Mikisters and Elders are earnestly desired to act as Agents, and all others friendly to the cause will please assist in procuring as many subscribers as possible, and forward the names, by August 1st, to this Office.
