Piedmont Springs, Barke Co., N. C., }

As the sickly season of the year is coming on. I de-aire to call the attention of those seaking health and altered, to collect the inte-aire of refugees from the eventy to that delightful and altered Debta in his District, viz: At Hillsboro': July heanalul watering place, "Pledmont Springs," situated among the Mountains of Bucke county, some 16 miles | Fayesteville North of Mergan on For romantic seasery, pure water and remotences from duager—it is normans unsurpassed by any place in the Southern Confederacy. During the late cald which was made into this county, this place was left undisturbed by the enemy and I feel perfectly safe in saying that I apprehend no design in future unless the whole county should be overron-Piedmont Springs are located in a very secluded and I may say in an unfrequented (except by visitors) part of the county, and there is nothing about or around to attract the enemy, unless they are in search of health, good water, a pure and healing atmosphere and unsur-passed Moun ain seenery. There are no large or rich farms, wealthy planters or many slaves in the neighborhood to invite their attention or attract their outidity. If, therefore, persons who are seeking basith or ries-sure will be safe anywhers, they must be so at friedment Springs. The house is now open for the reception of visiters. A tri-weekly Stage rans back and forth from Morganton during the precent menth of July and will run daily throughout August and September. TERMS Board, lodging and lights, &c, excepting washing \$18 per day by the month; \$15 per day by the week. and \$20 per day for less then a week.
