Hyder Ali

A Subscription for a medal of General WASHINGTON.

MEDALS, from the earliest period of time, have been regarded by every enlightened people, as the great help to history, and the best method of transmitting to posterity the memory of the heroes and patriots of the age, and one of the most honorary compliments, a grateful people could confer on their favourites.—As the history of mankind furnishes no instance of a hero or patriot, who has better deserved, or has been more justly entitled to the affections or esteem of a grateful people, than his Excellency the President of the United States—General **GEORGE WASHINGTON**—an artist is induced to offer to the citizens of America, a medal with a striking and approved likeness, and such inscriptions or allegorical figures as shall best suit to great a character; and he humbly hopes to be honoured with their patronage.

To subscribers—a medal will be delivered of fine white metal, to resemble silver, for one dollar; of a fine, gold coloured metal for two dollars; of fine silver for four dollars; and of gold in proportion to weight.

Subscribers will please to particularize the kind they choose. As the medals are now striking, and will be ready to deliver in a few days after the order comes to hand, it is hoped every gentleman will pay at the time of subscribing.

SUBSCRIPTIONS for the town and District of Newbern, will be received at the Post-Office, by F. X. MARTIN, Post-Master: Or any gentleman may have any number of medals sent to any part of the continent, by sending his order and remittance for the same, to J. MANLY, to the care of ROBERT PATTON, Esq; Post-Master, Philadelphia.

COPY—WE, the undersigned, have seen the Medal of General Washington, and think it a strong and expressive likeness, and worthy the attention of the citizens of the United States of America.

PILGRIM

WILL stand the ensuing season one half the time at Newbern and the other half at Trent Bridge, every other week at each place, beginning at Newbern the 2d Monday in March, in order to cover mares at the very low rate (his character not being established in the place) of eight dollars, or if paid down five dollars for the season, five pounds to insure and thirty shillings for the leap, each mare bringing one bushel of corn or oats.

PILGRIM is a beautiful dark blood bay, full fifteen hands high and brother to the noted horse Hyder Ali; was got by Old Mark Anthony out of a Fearnought mare, whose dam was got by Jolly Roger, and her grand dam by Silver Eye.

PILGRIM covered mares in 1788 at four pounds each and had eighty odd mares; the last season he covered ninety mares at four pounds and one bushel of corn each—his colts are equal to any and inferior to none.
