Mrs. Theodore Tilton has made a confession at last. Now for another investigation.

Went Mr. Gliven, our fellow citizen who is a great admirer of game cocks, order one of the new breed of Fowls, commonly called the "Dan."

Daniel was the great lion tamer in the days of the Old Testament, and Daniel (Fowle) intends to be the great Republican tamer in the days of Hayes.

Who wonder if the new game Fowle "Dan" was hatched with spurs? Will our Raleigh contemporary, the Register, if its editor is not afraid of a spurring, give us the desired information.

RESUMPTION.

The Third National Bank of Cincinnati has given notice that it is prepared to redeem all of its outstanding bills in gold. This is the first bank in the country to resume specie payments.

MAL C. M. STEADMAN.—The new political aspirant for Congressional honors had better go in his hole before the campaign opens, or he will get the bark taken off before it closes. You have your weak points Major, so look out for shells.

GAME FOWLE.

The citizens of Raleigh have a new Game Fowle, known among poultry raisers and game cock fighters as the "DAN." His spurs are long and he is a splendid fighter, without gaffs. There was quite a turnout, last week, at the depot in Raleigh to see this new game cock show his fighting qualities.

SENATOR DORSEY.

Some time ago the Democratic papers were "rily raging over the report that Senator Dorsey had been guilty of signing bonds with mail contractors, and that he was interested in the contracts. The Democratic House ordered an investigation, and Senator Dorsey was completely exonerated,—but not a single Democratic paper has had the manliness to come out and state the fact. It is no use to expect fairness from such a source.

As Maj. Chas. M. Steadman has put himself up as a target to be shot at by newspapers and politicians, we shall give a few interesting items about his political career for the past twelve years, in the course of the campaign now opening. We know nothing against him, personally, but politically we propose to shell him. He is a radical Democrat to the backbone. Col. Waddell seems to be, from a Republican standpoint, greatly to be preferred, from the fact that he is very conservative in his make up.

SECRETARY SHERMAN'S SUCCESS AND ITS EFFECT.

It seems probable that the difficulties relating to our national finances are rapidly approaching a solution. Secretary Sherman's success in New York in disposing of \$100,000,000 of 4 per cent. bonds, and the appreciation of legal tenders to within one-quarter of a cent of gold, has convinced many of the opponents of resumption that no legislation hostile to resumption on the part of January next can now be attempted. It is believed in Washington that the House resumption act is dead. It is said that the Senate committee have agreed on a settlement of the whole question of which the following is only an imperfect summary:

First—Legal tenders shall be accepted at their face value for Customs duties after July 1.

Second—Authorizing the Secretary of the Treasury to sell funding bonds for legal tenders.

Third—Repeating so much of the Resumption act as requires the retirement and cancellation of 80 per cent. of legal tenders for additional circulation issued to national banks.

Fourth—Fixing the amount of legal tenders to be maintained in circulation, and prohibiting the Secretary of the Treasury from retiring or boarding for any purposes whatever any portion of the amount of legal tenders so established.

The above may be to some extent modified, but nothing will be admitted which will prevent the return to a gold basis, and thereby bring to the country prosperity.

CITY ITEMS.

Post only one dollar a year.

Gold is scarce in our market.

Buy a house and lot, and be happy.

It is healthy to ride on the street cars.

Every man should have a home of his own.

Doctors' recommend riding on the street cars for health.

Green peas and strawberries are plentiful in this market.

One dollar will pay for a year's subscription to the Post.

Don't forget to send a dollar and get the Post for one year.

If you want a cheap home do not forget to call on W. P. Canaday.

Don't fail to call on Mr. James Wilson if you are without a house.

Now is the time to subscribe for the Post—only \$1 00 for a whole year.

Wilmington Street Cars are able and willing to carry passengers at 5 cents each.

You can get nested by taking the Post during the next campaign, for one dollar a year.

Eggs are selling in Beaufort, N. C., at 6 cents per dozen, and in Wilmington at 12 cents.

ACCIDENT.—A few days ago a man fell, on Third street, into a house he had just purchased from W. P. Canaday.

The United States Government has at last recognized the Diaz Government of Mexico. They should have done so long ago.

Our Republican friends at Fayetteville are requested to post us about the political record of Maj. Cha. M. Steadman, late of Fayetteville, N. C.

BLADEN COUNTY.—The Steadman men claim that Bladen county has gone for their man, or in other words, they claim the first blood for Steadman.

Every man may be his own physician if he simply takes the free publications of the Dr. Harter Medicine Company, and uses the remedies they prescribe. All druggist and dealers have them.

WHEW, AIN'T IT HOT.—The first thing you hear on the streets when you go out is, "Are you for Steadman or Col. Waddell?" If you are not careful you will get your head cracked before you get in.

Will the Register send us one of those new fighting Fowle(s) commonly called the "Dan," for our campaign is just about to open, and before it is through we shall need something to do our fighting.

Mrs. MOORE.—We stated last week that there was something wrong in the death of Mrs. Moore. Since then we have seen Dr. Norcom, the attending family physician, and he states that she died from natural causes.

"BE YOUR OWN LANDLORD."—See ad of Mr. James Wilson, he invites the good people of Wilmington, who have been paying rent, to become their own landlords by purchasing one of his cheap lots, or horse and lot.

"The heart bowed down by grief and care" is too often wretched, merely because the body is diseased. Dr. Harter's Liver Pills, and Dr. Harter's Iron Tonic will, in most cases, reinvigorate the frame and banish gloomy thoughts. For sale by all druggists.

W. M. Tweed, the great New York Democratic thief, is dead. He died on Friday the 12th inst., at 12 o'clock, in his cell in Ludlow Street Jail. He stole about \$12,000,000 but could not carry any of it away with him to his long home. Let this be a warning to wrong doers.

PAINFUL ACCIDENT.—A lamp at the residence of Col. Roger Moore, exploded on Tuesday night and the clothes of his little daughter took fire, and before the Colonel could extinguish the flames she was badly, though not dangerously, burned. Col. Moore's hands were burned very painfully also.

"The Code of Civil Procedure," Judge Albion W. Tourgee's new book, just published at the publishing house of John Nichols, Raleigh, N. C., is a splendid book, and we understand that nearly every lawyer in this city has already secured a copy. Magistrates and all business men should have the Code. We heard a distinguished lawyer say, a few days ago, that it was the best thing of the kind ever published in the State, and that the vast of such a book had long been felt.

QUERY.—Has not Commo. Lore Smith up North got a second class Steamboat he could send down here. We would like to run an excursion up Town Creek, as second-class boats are in demand. When some of them blow up, as they are likely to do, and kill a lot of citizens they will not be so popular.

THE LUMBERTON TIMES.—The first number of this paper was issued twenty-two weeks ago as a four page paper about 6x9; but to-day it has the look of an old stager. It is now an eight page journal and takes all in all is one of the ablest weekly papers in the State. Messrs. Barnes & Thompson are energetic newspaper men.

W. & W. R. R.—This important road has been leased by the W. C. & A. Railroad Company for a number of years. On the first of January last, they failed to pay the interest, and in accordance with the terms of the lease the road will be taken charge of by the stockholders on Saturday next.

Jos. E. Sampson publishes a card in this issue of the Post announcing himself as a candidate for re-election to the office of Register of Deeds for this county. Mr. Sampson has made a very excellent officer, but we do not admire the style of his card. If he means that he is a candidate, with or without the nomination, we would like to know it, and so would the Republicans of the county. Explain, Mr. Register, no dodging.

W. C. & A. R. R.—On the application of the bond-holders of the Wilmington, Columbia & Augusta Railroad Company, Hon. Hugh L. Bond, U. S. Circuit Court Judge, placed the road in the hands of a Receiver on Saturday, April 13th, and appointed Hon. R. A. Yates, Mr. J. B. Worth, son of B. G. Worth, Esq., and Miss GEORGE, daughter of Col. E. R. Brink.

WORTH-BRINK.—In this city, at the residence of the bride's father, on Tuesday morning, the 16th inst., by Rev. E. A. Yates, Mr. J. B. WORTH, son of B. G. Worth, Esq., and Miss GEORGE, daughter of Col. E. R. Brink.
