John Sherman. ASHVILLE LETTER. ASHVILLE, N. C., Oct. 20, 1879.

MR. W. P. CANADAY, EDITOR POST : - The west is exceedingly well pleased with the candidates that you are supporting in your very excellent paper. The names of John Sherman and Ralph P. Buxton for President and Governor will add thous-

#### ands of votes to our party in 1880. If Judge R. P. Baxton should be the Re-WASHINGTON, D. C., publican candidate for Governor we

will certainly succeed. There is no man in the "north state" so popular as he. Everybody in the west is for Judge Buston. Then give us Judge J. L. Henry, of this place, as Lieut.-Governor, and the transmontane district will go overwhelmingly for the Republican ticket.

The honorable John Sherman, who has as you say, at all times, stood by southern Union Republicans, can and will get a larger vote in this section than any man who could be nominated by either party. The west is for Sherman, that you can depend on.

EFor state treasurer, we up over the mountains, would be exceedingly well pleased to see Hon. David A. Jenkins nominated, and if he will take the place he will receive our undivided support, and he would add very much
