THE WILMINGTON POST.

SUNDAY MORNING, APRIL 18, 1880.

REPUBLICAN STATE CONVENTION FOR 1880.

ROOMS REPUBLICAN STATE EX. COM.
RALEIGH, N. C., Feb. 20, 1880.

C. W. GRANDY, Chairm'n.
F. M. SORRELL, Secretary.

REPUBLICAN NATIONAL CONVENTION.

A National Convention of the Republican party will meet at Chicago, on Wednesday, the 2nd day of June next, at 12 o'clock, noon, for the nomination of candidates to be supported for President and Vice-President at the next election. Republicans, and all who will co-operate with them in supporting the nominees of the party, are invited to choose two delegates from each Congressional District, four at large from each state, two from each Territory, and two from the District of Columbia, to represent them in the Convention.

J. D. CAMERON, Chairman.
THOMAS B. KEOGH, Secretary.

FROM WASHINGTON.

WASHINGTON, D. C., April 5, 1880.
Madison Bell, Esq., Atlanta, Ga.

MY DEAR SIR:—In reply to the inquiry contained in your letter of the 26th ultimo, I have the honor to transmit herewith, a statement exhibiting the number of colored employes in the Treasury Department, during the administrations of Secretaries Boutwell, Richardson, Bristow, Morrill and Sherman, covering the periods from March, 1869, to this date. These employes range from clerks of the third-class down through the several grades of clerks, messengers, watchmen and laborers.

It will be observed that the number employed under this administration, is thirty three per cent. greater than under the administration of Mr. Bristow, when the largest number was employed excepting at this time. In all fairness thirty three persons ought to be added to the total number now employed of 241 which would make 277; for this reason: That there are now employed in the Bureau of Engraving and Printing, seventy-three colored persons, and in the period of Mr. Bristow's administration, when the total number in the Department was 183, there were fifty per cent. more persons employed in the Bureau of Engraving and Printing than now, and it is safe to assume that, if that number of 500 persons were added to the present force in that Bureau, the same proportion of colored persons, as 73 bears to the whole number now employed, would be employed.

Some allowance may justly be made for an increase in the number of colored employes in this department, as well as in other departments, by reason of the more extended education of the colored race, and as a consequence of their becoming better qualified for clerical and other positions, at the same time it cannot be denied, as the facts prove, that Secretary Sherman has recognized the colored race by giving them employment to a much larger extent than any Secretary since the emancipation of the slaves.

Very truly yours,
GEO. N. LAMPHERE,
Chief Appt. Division.

The Salisbury *Examiner* says:—We had a call, Saturday, from Dr. R. M. Eames, in charge of this mine, located in Ashe county, N. C., 18 miles south of Ore Knobb. It is owned by a New York stock company, who are making a liberal effort under the direction of Dr. Eames for its development. Steam engines and compresses are now on the road for this purpose. The ore thus far has stood the test, and has been found to carry $60 in gold, $65 in copper, and $15 in silver to the ton. The company bought this property, which embraces a large tract of land with valuable water powers, of Calvin J. Cowles, at about $26,000. They will erect smelting works and ship the product in mass, to be separated in New York. The Doctor thinks it is a very valuable mine and confidently expects, with the machinery soon to be introduced, to accomplish the most satisfactory results.

The Patriot is very anxious that intelligent colored citizens should know the exact amount they owe to the Democratic party for the inestimable benefits it has conferred upon them. We have no doubt they are fully informed on this subject, and so long as the Landlord and Tenant Act, and the present odious Road law is in force they are not likely to forget these benefits. The attempt of the Patriot to show that the colored people owe the ills of their present condition to the Republican party will hardly deceive any one. We read in the Democratic papers that a colored convict was recently whipped to death on the University Railroad by the Democratic overseers. Will the Patriot assert that the Republican party is responsible for this outrage? The flimsy talk of the Patriot will hardly remove the ugly facts from the record of the Democratic party.—*New State.*

Second Congressional District Convention—Rooms Republican Executive Committee, Second District of North Carolina—Goldsboro, N. C., March 24th, 1880.

The Republican Convention for the Second Congressional District of North Carolina, will be held at Goldsboro, on the 1st day of July, 1880, at 12 o'clock m., for the purpose of placing in nomination a Republican candidate to represent this district in the Forty-seventh Congress of the United States, and to nominate a Presidential Elector upon the Republican ticket, and for the transaction of such other business as may be necessary. Delegates entitled to a seat and vote in the convention must be regularly delegated by a county convention called by their several county committees. The following are the counties composing the Congressional District, with the number of delegates and alternates to which each is entitled:

Counties	Delegates.	Alternates.
Craven,	2	2
Edgecombe,	2	2
Greene,	1	1
Halifax,	2	2
Jones,	1	1
Lenoir,	1	1
Northampton,	1	1
Warren,	2	2
Wayne,	2	2
Wilson,	1	1

The county committees, of the above named counties, are requested to call a county convention in time to insure their counties being represented in the District Convention.

By order of the Republican Executive Committee.

ORLANDO HUBBS, Chairman.
E. E. SMITH, Secretary.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure for Consumption, Bronchitis, Catarrh Asthma, and all throat and lung, affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it this recipe, in German, French, or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. W Sherar, 149 Powers' Block, Rochester N. Y. sept. 28—13t.

Hon. John Sherman.

It has been said that it was very unpopular for us to support the Hon. John Sherman for the Presidency. We hold that it is no more so on our part than it was on the part of Mr. Sherman when he was a member of the thirty-fourth Congress six years before the war, when in the face of slave-holders, and a host of northern friends to defend the system, he took a bold stand for freedom for the slaves of America. That position made him very unpopular with some of his race. The colored men of the south must remember, that freedom came by white men fighting white men. Then we must admit, that as popular as slavery was growing to be, Mr. Sherman surely suffered his part of censure and condemnation for that which we enjoy—freedom. Now we should be willing to suffer a little abuse for him, who suffered so much for us. We are duty bound by a well merited obligation to support the Hon. John Sherman.—*Good Samaritan.*

The older a man gets the more he leans forward, which we suppose comes from his great anxiety to look down into the future.
