THE REPUBLICAN PLATFORM.

ADOPTED AT RALEIGH JULY 7th.

The Hon. R. C. Badger, chairman of the Committee on Platform and Resolutions, reported from that committee the following:

The Republicans of North Carolina, in Convention assembled, renew the pledges made in all their former platforms. And they declare as follows:

1. That they cordially approve the nominations, recently made at Chicago, of James A. Garfield for President, and Chester A. Arthur for Vice-President; and that they will most cheerfully and actively devote themselves to their election, as indispensable to the preservation of the Republican party, and of the Republic, in its integrity. And that they fully endorse the principles set forth in the platform, adopted by the Republican convention, which convened in the city of Chicago, on the 2nd day of June 1880.

2. That they have seen, with great apprehension and alarm, the rapid consolidation and engrossment of our railroad systems, by and under the control and ownership of foreign monopolists—that such consolidation of capital gives power to the monopolists to oppress the labor of the country by unreasonable and unjust local tariffs and fares, and gives to them the power to control the legislative branch of government, in the passage of laws in their interest, and ruinous to those of the people; and that they have seen with regret, that these monopolists are making an insidious invasion among the leaders of the Democratic party, which culminated on the 17th day of June, in the engulfing and swallowing up of the whole Democratic State convention; and that while they have no desire or intention to make an unjust war upon these monopolies, they do demand that the Legislature shall pass laws to govern and control them, so that they shall not be permitted to discriminate against our own people, and place a reasonable limit on local tariffs and fares.

3. That they view with anxiety the condition of the Western North Carolina Railroad, which, through the hot haste and ill considered contracts of the Democratic state administration, is surrounded by legal troubles which afford no relief from taxation, and threaten to delay for a long time, if not altogether defeat, the completion of that work so necessary for the welfare and development of the state, and especially the western counties.

4. That the Republican party has always been the friend of education, and now again renews its pledge to the people of North Carolina to continue its efforts with increased vigor, until there shall be a complete and perfect system of public instruction.

5. That they recognize the mechanic and laborer as the bone and sinew of the land, and pledge themselves to protect their rights and promote their political, educational, and material interests.

6. That the recent constitutional amendments were passed by a convention which was not composed of a majority of elected delegates, and the control of which was stolen from the Republican majority, by an infamous and admitted fraud on the voters of Robeson county. This corruption, on the part of the Democracy, demonstrates the fact that their party will scruple at no violation of law in the interest of party supremacy; and that the Democratic party is not the friend of representative government or of the people.

7. That the present system of county government in North Carolina is utterly subversive of the rights of the citizens; is the grossest political robbery ever practiced in this, or any civilized country; is the most damnable fraud ever devised or sanctioned by any political party, and calls for the unqualified condemnation of all who have the name of freemen, without regard to party affiliation. We claim the right of the people to elect every officer in the state, from the Chief Executive down to the humblest official, and demand that this right shall not be denied nor abridged; that an honest count shall follow a free ballot, and the majority shall determine who shall enact and administer its laws.

8. They denounce the Democratic party as an oligarchy, controlled by railroad corporations and aristocratic influences, and if not arrested in its course, it will overthrow the most cherished rights of the people. The tendency to the concentration of dangerous powers, for private and corrupt ends, in the hands of a few, has recently manifested itself in a vittal part of our State government, and in a way to excite the greatest apprehension. The Superintendent of Public Instruction, now endorsed by his party nomination, and without regard to the popular wish, has demanded to have vested in his hand, that is in the hands of a central board of which he should be the life, the absolute right of dictating what text books our children shall use, whereby he can mould the opinions of the rising generation; can strangle, for the benefit of personal or sectional favorites, all competition in local literature, and open up for his office, so intimately connected with the popular life and purity, a faithful and profitable source of corrupt jobbery. That they denounce the laws known as the landlord and tenant acts, as devised for the benefit of a few, to oppress the humble and defenceless citizen. That they denounce the present road laws of the state, as oppressive to the laborer, and demand their amendment, so that burdens of building and repairing them shall be borne more equally by all classes of the people.

The report was adopted.
