We learn that the exhibit made at the State Fair at Raleigh last week by Misses Burr & James' Female School, of this city, consisting of kindergarten articles, was awarded first premium, consisting of a box of kindergarten

Master T. J. Southerland, son of Capt. T. J. Southerland, carried off first honors in the horsemanship for boys and received as a prize a handsome gun.

We are informed that the operations of the Duplin Canal are progressing nicely. The first section of about eight hundred yards has been about completed to the necessary width, including the removal of all trees, stumps, &c ... the first freshet will probably give it the necessary depth to float a loaded flat. The work so far as it has progressed has been of a character to encourage the friends of the enterprise, and it has been done, too, at a very trifling expense, comparatively speaking, not more than from \$1,500 to \$2,000 having as yet been paid out.

Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR. It is a most agreeable dressing, which

is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown. or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigon cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Indias' Hair. The Victor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.)
