Almost young Again

My mother was afflicted a long time with Neuralgia and a dull, heavy inactive condition of the whole system; headache, nervous prostration, and was almost helpless. No physicians or medicines did her any good. Three months ago she began to use Hop Bitters, with such good effect that she seems and feels young again, although over 70 years old. We think there is no other medicine fit to use in the family." A lady in Providence, R. I.—*Journal.*

In the Sandwich Islands the natives are excellent barbers, but know, or did know, nothing of wigs. A man from England went into a Kanaka barber's shop to get shaved, and after the shave the barber, as a matter of course, proceed to shampoo the customer. The customer had dropped asleep in the chair and didn't notice what was up, and when the barber started in on the shampoo and the customer's wig came off in the poor fellow's hands, leaving a perfectly bald head he thought he had yanked the man's scalp off, and with a howl of terror fled. And his assistants fled also and stayed in the woods a week, not daring to take the responsibility of their awful deed.—*Boston Post.*
