Mr. C. P. LOCKEY.

This gentleman has sent us a communication in reply to the "Twenty Years Republican." from Robeson, and to "Colored Republican." published in our last issue. Mr. Lockey gives in his communication very fully the reasons why he wrote his first letter to the Posr two weeks ago. But to cut off further discussion on a subject that can be of no benefit to the great liberty loving party of this state we have refused to publish it. We make this statement to do a friend simple justice. Mr. Lockey is a Republican and a good worker; he has his views and the manliness to express them, which we admire, and have always respected in

SENATOR M. W. RANSOM.

The Democrats never did a wiser act than when they nominated Senator Matthew W. Ransom for re-election, for the third time, to the United States Senate. Senator Ransom is a Democrat, but he has always been exceed ingly courteous toward bis political opponents, in his official intercourse. We served with Matt. Ransom in the Conlederate army, and we know there was not a better fighter, who carried sabre or musket than he, yet in all of his official treatment of his subordinates and soldiers be was kind in the extreme, and in his social intercourse with his subordidate officers a stranger could not tell which was the General or the Lieutenant. We believe it would be better for the country to have a Republican to represent the state, but if we must have a Democrat then we prefer Matt. Ransom to any other in North Caroline, We congratulate him bear-
