Tom Ochiltree's Case.

Representative Thomas Ochiltree has filed a supplemental argument with the first comptroller of the treasury in regard to the suthority of the treasurer to withold the payment of his salary as

a member of congress until his accounts as marshal of Texas Lave been settled. This argument questions the legality of such action under the constitution, on the ground that its operations would deprive a portion of the citizens of the United States of representation in congress. The first comptroller says that withold Mr. Ochiltres's pay until he
