CITY ITEMS.

There was a Masonic picnic at Millbrook yesterday. A number of people went out to it from Raleigh. The holder of a claim against the penitentiary sends it in with the affidavit attached and writes: "I swear to this claim and attach the swear." Wright's Cornet Band will play at Pullen Park Monday and Wednesday nights at 8:30 p. m. This will be the first appearance of this band before a home audience. The State Treasurer yesterday paid out \$3,728.43 on penitentiary claims. This amount represents eight warrants, all of them having the prescribed affidavit attached. Rev. Dr. Simms, pastor of the Baptist Tabernacle of this city, is at Summit, Wilkes county, and writes back that he is enjoying the rest very much. His pulpit will be filled tomorrow by Rev. O. L. Stringfield at 11 a. m. and Rev. J. D. McAlister at 8 p. m. A woman from near Morrisville, with two little children, yesterday applied for admission to the county home. She gave her name as Clark, wife of William Clark, who, she said, had deserted her for a woman living at Clayton. She was sent back to her home, it not being deemed a proper case for admission to the home. On account of the imposition of the war tax and increase in the revenue tariffs, receipts at the revenue office here for the past year show an increase of nearly a million dollars compared with receipts for the year previous. The collections heretofore have been about \$1,250,000. The past year they were nearly \$2,000,000.

"THESE GOODS HAVE GOT TO GO."

SUMMER CLEARANCE SALE OF SEASONABLE GOODS

FORECASTING THE FUTURE. HIGHER PRICES BOUND TO PREVAIL.

The Last week in July will go down in the Mercantile History of this community as one of Crushing Low Prices, and no page in its volume will record greater bargains or more substantial values than crowd every quarter of our Store. A landslide of prices covers the whole slope of our possessions. Considering the advance and firm prices in Agents' hands, it would appear SHORTED-SIGHED not to develop this unmeasured range for profitable investment now within reach. Later, prices will rise and you will have to pay the advance. The pessimistic prices reached, are unlikely to recur in History again.
