IF YOU ARE

Expert In Pianos,

It may be safe for you to buy a piano anywhere, even at an auction sale. If not, you had better stay away. If you know the game and play it with your eyes open, it's nobody's business how badly you fare. If you are not an expert, better trust yourself to an established house, where you will find we are never undersold, quality considered. Terms made to suit purchasers.

DARNELL & THOMAS,
