Superior Court in Session. Anti-Saloon League
Organization Postponed, Pastors Exchange Pulpits, Counterfeiters.

(Staff Correspondence.)
Goldboro, N. C., April 14.—Court convened promptly on arrival of Judge O. H. Allen at 11:20 this morning.

Rev. J. A. Hornaday, of Beaufort, and Rev. M. Bradshaw, of this city, exchanged pulpits yesterday. St. Paul's congregation were delighted with the two sermons by Mr. Hornaday of course, and Beaufort friends were equally pleased with those by Mr. Bradshaw.

The effort to form an "Anti-Saloon League" fell flat last night owing to the absence of any one familiar with the work. Dr. McKelway, of Charlotte, who was to have led the meeting having telegraphed that he was unavoidably prevented from being present and too late for the committee to secure a leader. 'Tis but a delay, 'tis said. The league will yet be formed.

The congregation of St. Stephens Episcopal church convened yesterday and unanimously decided to extend a call to the Rev. Capers, of Anderson, S. C., to the rectorship of the church. Mr. Capers visited here some months since, and is most pleasantly remembered.

A government soil survey experiment station is being established here. A building for the purpose is nearing completion on Slocumb street.

There is evidently a counterfeiter in these parts. A number of spurious dimes and quarters have greeted our people. Look to your dimes and take your quarters carefully.

It is now pretty well assured that the Cape Fear and Northern Railway will be extended to Swansboro, one of the most beautiful summer resort places in the world. And this being true it is suggested that Goldboro needs to awake to the importance of railway connection with Snow Hill and also with Seven Springs and on. The Eastern Gateway must look to her laurels lest they be taken away.

Hood Council, No. 278, Family Protection Union, has been organized with 20 members. The council is named in honor of Mayor Hood.

Miss Sallie Duncan, of Beaufort, passed through today en route to Laurinburg on a visit to Mrs. Whitehurst.

Mr. M. L. Lee went to Charlotte this afternoon to arrange for a party who will leave for that city tomorrow. Mr. N. Schwab left for Philadelphia today. Mrs. J. L. Borden and daughter went to Richmond this evening.

Mrs. W. M. Webb, of Morehead city, passed through en route to Richmond.

THE NEW PASTER INSTALLED.

Dr. Leyburn at the Presbyterian Church in Durham

(Special to News and Observer.)

Durham, N. C., April 14.—Sunday morning Rev. E. R. Leyburn, the new pastor of the Presbyterian church, was installed in office by a committee from Orange Presbytery, composed of Rev. Dr. R. E. Caldwell, of Winston; Rev. Dr. L. B. Turnbull and Rev. R. Gordon Matheson. Dr. Caldwell preached the installation sermon, choosing as his text Mark 2:1. Rev. Mr. Matheson propounded the constitutional questions; Dr. Caldwell delivered the charge to the new pastor, and Dr. Turnbull the charge to the people. At the close of the services quite a number of the members of the church extended the right hand of fellowship to Rev. Mr. Leyburn. At night Dr. Caldwell preached again.

The funeral services over the remains of Plato, the 19-year-old son of Mr. and Mrs. Brockwell, took place Sunday afternoon from the residence on Ferrell street, conducted by Rev. W. L. Cuninggim, pastor of Main street Methodist church. The young man died Saturday of meningitis.

A series of meetings is in progress at the Gospel Tabernacle in this city, during the week. Rev. Arthur O'Rhea arrived Saturday afternoon and conducted the services Sunday. Today Rev. A. B. Crumpler, the evangelist, reached here, and these two will be in charge of the meetings.

The Democratic convention of Durham county, for the purpose of electing delegates to the State and District conventions, will be held on Saturday, June 7th. The precinct meetings to elect delegates to the county convention will be held in the city and suburbs on Friday night, May 30th, at 8 o'clock, and in the country, outside of the city, on Saturday, May 31st, at 2 p. m.

Mr. W. E. Turner died at his home in this city Sunday night at 8:30 o'clock. The deceased was 56 years of age and leaves three sons residing in this city, also a father, two brothers and one sister living in Alamance county. The remains were carried to Graham today for interment. The pall-bearers from the residence to the depot were: Messrs. T. J. Lambe, F. W. Claire, B. C. Woodall, S. C. Anderson, W. C. Bradsher and J. A. Woodall.

Dr. E. A. Yates has gone to Charlotte to officiate at the marriage of Miss Elizabeth Yates Clarkson, of that city, and Mr. J. M. Tull, of Birmingham, Ala. Miss Clarkson is a niece of Dr. Yates.

Dr. J. C. Kilgo, president of Trinity College, preached at Chatham church, on the Pittsboro Circuit, Sunday morning, and at night in Pittsboro.

Keep the Ball Rolling.

(Whiteville Press.)
A few weeks ago Belhaven, Beaufort county, voted special tax for graded schools and news now comes that Swan Quarter, Hyde county has done likewise. Here we are reminded that Lebanon district, William's township is shortly to hold an election on the same question. The example set by the communities adopting this system should stir up and stimulate other districts to do likewise.

NOTICE TO WATER CONSUMERS.

The time for paying water bills expires on the 15th. All delinquents will be cut off after that date without further notice.

STATE NEWS ITEMS

Shelby, N. C., April 14.—Two weeks ago as Mr. William Patterson, a farmer living two miles from Shelby, was returning home from town, he was attacked by a rabid dog, which bit him severely on the lower lip. Three days after this Mr. Patterson went to Charlotte and had the mad-dog applied. A few days after his return he showed symptoms of hydrophobia, growing worse each day, and died this morning in great agony. In his sane moments he would beg his friends to kill him and thus end his suffering. Mr. Patterson was the son of Mr. F. A. Patterson, was unmarried and was a worthy, hard-working farmer.

Rockingham, N. C., April 14.—The new Roberlet cotton mills will have 6,500 spindles and 300 looms. The Midway cotton mill will build a new weave mill.

Reidsville, N. C., April 14.—Orange Presbytery will meet in the Presbyterian church in this place Tuesday. There are fifty-nine churches and thirty ministers. It is expected that 83 delegates will be present.

TO ESTABLISH BROOM FACTORY.

Strike of Southern Railway Machinists at an End. Ellis Galloway Acquitted.

(Special to News and Observer.)
Asheville, N. C., April 14.—C. A. Nichols, of Barnard, contemplates establishing a broom factory in connection with the spoke and handle factory plant to be located at Barnard. It is learned that the capacity of the factory will require in one year as much broom corn as will grow on 1,500 acres of land. The establishment of such a factory will result in the extensive cultivation of broom corn in western counties.

Delegates to the National Editorial Association left last night. They will try to get the next convention to meet at Asheville.

The strike of Southern Railway machinists inaugurated in 1901 comes to an end today. An agreement to call the strike off was reached recently by a conference of general officers of the railway and members of the International Association of Machinists. All old machinists will be taken back where there occur vacancies, or where more are needed and will receive the same wages as before the strike.

The Boston School of Expression will hold its summer session in Asheville in June and July.

Ellis Galloway, who has been on trial at Brevard for several days for the killing of Fisher, near Toxoway, has been acquitted. He made good his plea of self-defense.

Death of Mr. Elijah Hayes.

(Special to the News and Observer.)
Windsor, N. C., April 14.—At the home of his son, Mr. James E. Hayes, Mr. Elijah Hayes died Saturday night at ten o'clock from heart failure. While Mr. Hayes had been in Windsor but a few months, the people had learned to love him and to regard him as a man of sterling worth and Christian character. He was born and reared in Hertford county, near the town of Harrellsville, and comes of one of our typical, aristocratic Southern families. He was sixty years old.

He leaves behind him a widow and three sons, James E., Walter and Robt. L. Hayes.

MALARIA An Invisible Enemy to Health

Means bad air, and whether it comes from the low lands and marshes of the country, or the filthy sewers and drain pipes of the cities and towns, its effect upon the human system is the same.

These atmospheric poisons are breathed into the lungs and taken up by the blood, and the foundation of some long, debilitating illness is laid. Chills and fever, chronic dyspepsia, torpid and enlarged liver, kidney troubles, jaundice and biliousness are frequently due to that invisible foe, Malaria. Noxious gases and unhealthy matter collect in the system because the liver and kidneys fail to act, and are poured into the blood current until it becomes so polluted and sluggish that the poisons literally break through the skin, and carbuncles, boils, abscesses, ulcers and various eruptions of an indolent character appear, depleting the system, and threatening life itself.

The germs and poisons that so oppress and weaken the body and destroy the life-giving properties of the blood, rendering it thin and watery, must be overcome and carried out of the system before the patient can hope to get rid of Malaria and its effects.

S. S. S. does this and quickly produces an entire change in the blood, reaching every organ and stimulating them to vigorous, healthy action. S. S. S. possesses not only purifying but tonic properties, and the general health improves, and the appetite increases almost from the first dose. There is no Mercury, Potash, Arsenic or other mineral in S. S. S. It is strictly and entirely a vegetable remedy.

Write us about your case, and our physicians will gladly help you by their advice to regain your health. Book on blood and skin diseases sent free.
