

In order to induce our friends to form clubs in every neighborhood, we will send six copies of The Record one year for ten dollars, or ten copies for fifteen dollars. Cash in advance.

LOCAL.

To Correspondents.

We again ask our friends in all parts of the county to write letters to THE RECORD, and give publicity to any items that may be of interest. Our friends will please not forget that we will always find space for any communications that they may be pleased to send us.

No Apology.

We make no apology for the exclusion of local matter by the exhibit of the county commissioners, for we know of nothing of more interest to our taxpayers.

Capt. W. L. London is now absent at the North, purchasing his Fall and Winter stock of general merchandise, which will arrive in a few days.

See the advertisement of the New York Herald, in another column. This is undoubtedly the most enterprising newspaper in America.

Sweet Potatoes.

J. D. Brasington, Esq., brought a load of sweet potatoes here yesterday, remarkable for their size, one of them left at the Record office measuring 22 inches in circumference. Who can beat this?

Orange Court.

The Fall Term of Orange Superior Court began on the 14th inst., Judge Kerr presiding. There are seven persons to be tried for capital felonies, an unusual event in that good old county. What is the matter there?

Another Martyr.

Dr. Happold, of Morganton, who volunteered his services to nurse the yellow fever sufferers at Vicksburg, died on the 12th inst. How inadequate are words in at-tempting to praise a man who lays down his life in ministering to the sufferings of others!

Chufas for Sale.

Let every farmer read the advertisement of Mr. H. C. Olive, offering chufas for sale. It is said that one acre in chufas will furnish 1000 pounds of pork. Mr. Olive will give you full directions how to plant them. Try, and see how you like them.

Appointments.

Hon. Joseph J. Davis will address the people of Chatham county at Biggsbee's Store, Thursday, Oct. 24th, Mt. Vernon Springs, Friday, " 25th, Egypt, Saturday, " 26th. Hon. A. S. Merrimon and F. H. Busbee, Esq., will speak at Haywood, Saturday, October 26th.

Thanks.

We return our thanks to our many friends, who are so kindly using their influence in behalf of the RECORD. Subscriptions are coming in from every direction, and we are greatly encouraged, but still we have not "quite taking in" so form your clubs and send up more names—and the cash. Every man ought to read his own county paper, and pay for it! Don't you think so, kind reader?

Pleasant Entertainment.

On the evening of the 12th inst., the young ladies and gentlemen of this place gave an entertainment, in part a repetition of that given for the benefit of the yellow fever sufferers. But this time it was free, being given because of the liberal patronage bestowed upon the former. Being free, therefore, there was, of course, a very large attendance, and we were pleased to see present many of our friends, who usually cannot go out at night, but who were kind enough to venture out upon this occasion. Every body was delighted, and indeed it was generally said to have been the pleasant entertainment ever given here, and the entire community is greatly indebted for a most enjoyable occasion. One of the most charming features were the Calisthenic exercises of a class of nine little children from the school of Miss Alice Haughton, which reflected much credit upon their accomplished instructor, as well as upon the skill of the little ones.

Those who witnessed the acting of that laughable play "That Rascal Pat" at the former entertainment, can well understand how very much it was enjoyed by all at this. One of the most amusing scenes of the evening was "Magic Music," a pantomime in which the characters, the Irish washer-woman, shoemaker, two old ladies quarrelling over their knitting, seamstress, housekeeper, young lady fanning, and another churning, all kept time in their various occupations to the music of yankie doodle, getting fast or slow in their work as the music changed from slow to fast. The young ladies and gentlemen sustained their usual reputation in singing, while the Brass Band ever and anon discoursed their sweetest strains. A lecture to the girls by an "old lady" upon matrimony was so good, and withal so true, that we thought she must have interviewed some of the married ladies present and thus learned the short comings of the "Lords of creation."

Chatham Educational Association.

Some years since there existed in Chatham county an association bearing the above name, whose object was the promotion of the educational interests of this county. This body, while it was in successful operation, did much good, in bringing together the teachers and friends of education in the county, in discussing various interesting topics, and in other ways, having at one time successfully operated a County Normal School; but from a multiplicity of rea-

sons the body did not continue long in existence. This Association was re-organized here last Saturday, and we sincerely hope it may be ultimately successful in attaining the objects it has in view. The meeting on Saturday was not as large as we would have wished it to have been, owing principally to the absence of Prof. Ladd, who was advertised to speak here that day, but those present showed much interest and a determination that the re-organization should be a success. The re-organization was effected by the election of Rev. R. B. Sutton, D. D., President; R. S. Andrews, Esq., 1st Vice President, A. H. Merritt, 2nd Vice President; W. A. Wilborn, M. D., Secretary; T. B. Womack, Esq., Treasurer; and Capt. C. B. Denon, T. B. Womack and Capt. C. F. Siler as an Executive Committee. A Constitution and By-Laws were adopted, after which the meeting adjourned to meet in the town of Pittsboro' on the 1st Saturday after Christmas, at 11 o'clock, a. m., at which time it is hoped there will be a large attendance of all the friends of Education throughout the county. The Executive Committee will provide speakers and will do all in their power to make the meeting one of pleasure and profit combined.

A Runaway Arrested.

About a year ago a white man in this county, named Marion Hurley, attempted to commit a rape upon a daughter of William Lassiter, Esq., and ran away. Nothing was heard of him until a few weeks ago, when our sheriff received a letter from the sheriff of Spittsylvania county, Virginia, asking if a man, named Joseph Thomas, had committed any crime here, and escaped? From the description given, sheriff Taylor at once knew it was Hurley, and wrote the former sheriff to watch him. An indictment was sent before the grand jury last month, and a true bill found. The necessary requisition papers were obtained at Raleigh for his arrest, and last week, D. W. Riddle, one of sheriff Taylor's efficient deputies, at once went to Virginia, found his man, and brought him here on the 15th inst., and lodged him in jail. Mr. Riddle says that every assistance was rendered him by the authorities in Virginia, to whom he is under many obligations for their kindly aid. The day before Mr. Riddle's arrival in Virginia, a letter was received at the post office addressed to Joseph Thomas, which the sheriff took and opened, and very fortunately for it was written from Lockville, in this county, dated October 10th, and stated that Mr. Riddle had started after him, &c. Hurley is a married man, and yet was on the eve of marrying again, when he was arrested.

County Commissioners.

The Board of County Commissioners held their regular monthly meeting on the 7th inst. Present—John W. Hatch, chairman, and L. B. Bynum, Thomas Cross, C. R. Scott, and W. P. Wren. The following accounts were presented and allowed, viz: Jasper Foushee, for services as Crier of the Court at Fall Term 1878, \$20. W. D. Andrews, for three wool hats for papers, \$14.20. W. S. Moring, Attorney, for fees in cases of lunatics at Fall Term, 1878, \$25. Retainer, as Attorney to the Board from September 1878 to September 1879, \$50. W. A. Lineberry J. P., for listing property in Albright's township 1878 and one day with County Board, \$17. A. J. Bynum, for 4 barrels of cement, \$14. F. N. Strudwick, Solicitor, for fees in cases at Fall Term 1878, \$32. Dr. L. A. Hanks, for examination of 14 lunatics at Fall Term 1878, \$70. Spence Taylor, jail fees for two months, \$18.70. I. A. Wilson, as member of Board of County Assessors, \$2.

Ordered, That the Sheriff collect from Joseph Eubanks \$20, as hire of Oliver Farar, a prisoner. J. T. Clark granted license to retail liquor until January 1879. Ordered, That \$9.16 be deducted from the next order given to J. D. Brasington for support of lunatics, on account of mistake. S. H. Wiley granted remission of double tax on the Ore Hill property. A. H. Gunter exempted from duty on Public Road on account of infirmity. W. F. Barber appointed Constable in Gulf Township, and gave his official bond. C. E. Houston gave his official bond as Constable of Matthews' Township.

Ordered, That the sheriff furnish coarse and heavy carpeting for the cells in the jail. Messrs. J. J. Hackney, Jack Johnson, and J. T. Mann were appointed Overseers of the Roads in their localities. The petition of certain citizens of Cape Fear Township was granted, to open a Public Road, leading from the road crossing the Cape Fear River and running towards Carriage to the road crossing Lick Creek at Brown's Bridge.

[From the Raleigh Observer.] The Western Elections.

Tuesday's elections in the States of Ohio, Indiana, and Iowa have resulted more favorably to the Democratic candidates for Congress than was at first reported. In Ohio the Republicans elect 9 members of the House of Representatives, and the Democrats 11. The Congressional delegation from Indiana will consist of 5 Republicans, 7 Democrats, and 1 Greenbacker. Iowa has sent 2 Greenbackers, of Republican antecedents and 7 Republicans to the lower house of the National Congress. The Republican State ticket in Ohio is successful by from 5,000 to 10,000 majority; the Democratic State ticket in Indiana is reported to have 10,000 to 12,000 majority, the same party controlling the State Legislature, thus insuring the election of Dan Voorhees to the United States Senate; and the Republicans have chosen their State officers in Iowa by from 3,000 to 6,000 majority. The Republicans have lost nine members of the House of Representatives in the three Western States which held elections on Tuesday.

The new party came to an end on Tuesday. Its supposed strength was in the West and Northwest, and its leaders have said, with boldness and iteration which perhaps deceived themselves, that their doctrines were sweeping the newer States and were bound to sweep the older States too. These boastful predictions were not without their effect upon the discontented voters, thoughtless voters, voters who are inclined to any change no matter what it may be, voters who go with the successful party, or what promises to be the successful party, voters who are easily carried away with the current however shallow it may be. Ohio and Indiana and Iowa and West Virginia have dispelled the delusion. The new party's strength was only enough to be of a slight service to the Radicals, whose policy it was fighting. Those among our friends in North Carolina disposed to stray from the fold will now see very plainly that the only vital greenback issue is the one represented by the Democratic party, and that is honest, conservative, politic and important. The Democratic party meets the real difficulties growing out of the hard times and the continued business depression with practicable and rational remedies, and invites every citizen who is dissatisfied with the present Republican rule and the evils it has brought on the country to unite with it in enforcing a sounder policy and electing a better administration.—Raleigh Observer.

PLATFORM

AND RESOLUTIONS ADOPTED AT THE DEMOCRATIC-CONSERVATIVE CONVENTION, HELD AT RALEIGH ON THE 22D OF AUGUST, 1878. We reaffirm our adherence to the time-honored principles of the Democratic party, and in the interest of ourselves and of our posterity, denounce all monopolies, high taxes, and all extravagance and waste in the expenditure of the people's money.

We denounce the contraction of the currency, the heartless and unpatriotic policy of the Republican administration making the rich richer and the poor poorer, which has caused a stagnation of business, destroyed the prosperity of the country, thrown thousands out of employment, and reduced millions to penury and want.

We denounce the demonization of silver by the Republican party in the interest of the capitalists and the bond-holders; and we congratulate the country on the successful efforts of the Democratic party to restore silver to its legitimate use even over the veto of a Republican President.

We demand the retirement of the circulation of the National Banks, the substitution thereof of greenbacks, whose volume should be regulated by the requirements of trade and business; and the repeal of the tax on State Banks, leaving their organization to the people of the different States; and we explicitly demand the repeal of the Resumption Act.

We demand a repeal or modification of the Revenue system, so that it shall not discriminate against Southern industries; a reduction of the tax on tobacco and a modification of the onerous tax on the distillation of fruit; a tariff for revenue only and not for the purpose of building up northern manufacturers at the expense of the South; and we favor a tax on incomes of two thousand dollars and over, thereby lightening the burdens of labor and making capital pay its just proportion of public dues.

We denounce corruption in office wherever it exists—the higher the place the greater the crime; and we call upon the people at the polls to punish the infamous electoral fraud by which the people of the United States were deprived of their right to elect their President.

Finally, we congratulate the people of the Union on the overthrow of the party of hate with its corruptions and oppressions, and upon the triumph of that policy of conciliation and fraternal kindness which the Democratic party has so long and so persistently advocated.

Revenue Cases.

Washington, October 14.

The suits brought by the State of North Carolina against the Revenue agent, Wagner, and some twenty other Federal revenue officers on charges of excess of authority in making arrests of illicit distillers and others, which were tried yesterday at Greensboro, resulted in the acquittal of the entire party with one exception.

MARRIED.

By J. E. Perry, Esq., on the 16th of October, 1878, Mr. T. B. Perry of Alamance, to Miss Emma, daughter of F. D. Lindley, of Chatham county, N. C.
