

In order to induce our friends to form clubs in every neighborhood, we will send six copies of THE RECORD one year for ten dollars, or ten copies for fifteen dollars. Cash in advance.

LOCAL.

To Correspondents.

We again ask our friends in all parts of the county to write letters to THE RECORD, and give publicity to any items that may be of interest. Our former friends will please not forget that we will always find space for any communications that they may be pleased to send us.

No Apology.

We make no apology for the exclusion of local matter by the exhibit of the county commissioners, for we know of nothing of more interest to our tax-payers.

Cheap Excursion.

An excursion train will leave Egypt for Fayetteville, Saturday, the 26th inst., at 7 a. m., and return at 7 p. m. Fare for round trip only 50 cents. Let everybody go!

Western Railroad.

Read the schedule of this Road, which went into effect on the 21st inst. Persons can now leave Egypt at 9:50 a. m., and arrive at Fayetteville at 1:45 p. m., and have all the afternoon to attend to business. The only objection to this schedule, is that the train leaves Sanford before the arrival of the Raleigh train, so that the Egypt mail is delayed nearly 24 hours. By waiting half an hour this would be avoided, and it ought to be done.

Our Fayetteville Advertisements.

When you go to Fayetteville, call on those who think enough of your county as to advertise in your county paper, and do your trading with them. Help those who help you. Read carefully these advertisements, and you will know where to get what you want, and find the best goods for the least money.

The Cumberland Fair.

The Sixteenth Annual Fair of the Cumberland Agricultural Society will be held at Fayetteville on the 12th, 13th, 14th and 15th of November. The exhibit at these fairs is always very creditable, and this year it promises to be better than usual. An excursion train will run every day from Egypt at low rates, so as to afford an opportunity to our countrymen to attend with little cost or trouble. We hope our people will turn out in large numbers, and we know that they will have a good time, and sweet with a warm welcome.

Just Received.

At Williams & Hawley's, city shoe store, 75 dozen Ziegler's Philadelphia shoes, consisting of ladies' pebble, lace and button; gentlemen's, ladies' fawn, button and lace gaiters; misses and children's button and lace fawn gaiters and balancers. Twenty dozen gents' fine hand, cal and machine-made gaiters—all sizes. A full stock of boys' and youths' fine Philadelphia gaiters, shoes and balancers. In Eastern work, they offer twenty thousand pairs of boots and shoes—all styles, qualities and prices, suitable for the jobbing and retail trade. Country merchants are invited to examine this stock, which is complete, and will be kept up during the season by weekly additions. Prices as low as any house in the State. Hay Street, Fayetteville, N. C.

Frank Thornton.

When you go to Fayetteville, call on Frank Thornton, who offers the largest and best assortment of Dry Goods ever shown under one roof in North Carolina. In Dress Goods, he displays a handsome assortment of rich Plaids a beautiful line of French Cashmeres, in all the new shades, with silk, satin, and other trimmings to match. In his shawl and cloak department, may be seen, the latest styles in the newest fabrics. His stock of ready-made clothing for men, youths and boys, is very large, and he promises not only to suit, but to fit. He has a full stock of boots and shoes, including fine hand made goods for gentlemen, ladies and children. He has a complete line of carpets, from the cheapest to the finest Brussels. He claims that his house is "Head Quarters" for the sale of Black Alpaca, warranted never to turn brown. Be certain to go to Frank Thornton's when you visit Fayetteville.

A Visit to Fayetteville.

We made a hurried visit to this good old town on the 21st inst, spending only half a day, but in that short time had the pleasure of meeting many friends and acquaintances. It is always a pleasure to visit Fayetteville, for nowhere can be found a people more hospitable, and public spirited. Their hearts are as large as "all out of doors", and their liberality and generosity in times of piping peace, are only equalled in times of piping war. Many years ago Fayetteville was the great market town for all this county and every day our wagons laden with our products would throng her streets, but since the war most of this trade has been diverted to other markets. But notwithstanding this, the town still offers an excellent market for our products, and her merchants offer good bargains and cheap goods. The speedy extension of the Railroad to the Gulf will greatly increase our trade with Fayetteville, and we will again see Chatham men thronging her streets. And when they go there, they will be sure to trade with those who advertise in their county paper.

Read the advertisement of B. K. Partin, whose store is just opposite the Market House on Wilmington street, Raleigh, N. C., and where you will find it to your interest to call and do your trading.

Tired of Work.

A negro man, named Jack Edwards, was convicted of some offense at our late Superior Court, and hired out for six months to some one to pay the costs and fine. A few days ago he came to town and asked the sheriff to put him back in jail, as he would rather be in jail than at work. Of course he would, and so would most of those lazy scamps who are supported in our jails and Penitentiary, instead of being soundly thrashed at the whipping-post.

Letter of Thanks.

The following letter has been received in response to the donation sent by the ladies of this place, being the proceeds of their late entertainment:

HOWARD ASSOCIATION. MEMPHIS, TENN., Oct. 14th, 1878. TO H. A. LONDON, JR., Pittsboro, N. C. DEAR SIR:—We return through you, to the ladies of Pittsboro, our heartfelt thanks for their sympathy in this our hour of affliction, and pray that God may bless them for it. We enclose herewith receipt for their donation, \$62.50 received, which is hereby acknowledged.

Very gratefully yours, JAMES H. SMITH, Treas.

PLATFORM

AND RESOLUTIONS ADOPTED AT THE DEMOCRATIC-CONSERVATIVE CONVENTION, HELD AT RALEIGH ON THE 22d OF AUGUST, 1878.

We reaffirm our adherence to the time-honored principles of the Democratic party, and in the interest of ourselves and of our posterity, denounce all monopolies, high taxes, and all extravagance and waste in the expenditure of the people's money.

We denounce the contraction of the currency, the heartless and unpatriotic policy of the Republican administration making the rich richer and the poor poorer, which has caused a stagnation of business, destroyed the prosperity of the country, thrown thousands out of employment, and reduced millions to penury and want.

We denounce the demonization of silver by the Republican party in the interest of the capitalists and the bond-holders; and we congratulate the country on the successful efforts of the Democratic party to restore silver to its legitimate use even over the veto of a Republican President.

We demand the retirement of the circulation of the National Banks, the substitution thereof of greenbacks, whose volume should be regulated by the requirements of trade and business; and the repeal of the act on State Banks, leaving their organization to the people of the different States, and we explicitly demand the repeal of the Resumption Act.

We demand a repeal or modification of the Revenue system, so that it shall not discriminate against Southern Industries; a reduction of the tax on tobacco and a modification of the onerous tax on the distillation of fruit; a tariff for revenue only and not for the purpose of building up northern manufacturers at the expense of the South; and we favor a tax on incomes of two thousand dollars and over, thereby lightening the burdens of labor and making capital pay its just proportion of public dues.

We denounce corruption in office wherever it exists—the higher the place the greater the crime; and we call upon the people at the polls to punish the infamous electoral fraud by which the people of the United States were deprived of their right to elect their President.

Finally, we congratulate the people of the Union on the overthrow of the party of law with its corruptions and oppressions, and upon the triumph of that policy of conciliation and fraternal kindness which the Democratic party has so long and so persistently advocated.
