For this pleasant and conclured at this place in memory of the venient mode of traveling between has been placed in the Episcoper clurred at this place in memory of the venient mode of traveling between late Peter linic, who died at Winston hate Peter linic, who died at Winston are indebted to Maj. Winder, who is conceded to be the best railroad official profit was realized.

Pleasant base built club to return. Town Educations—The annual electory publicly their thanks to Capt. W. L. thou for mayor and commissioners of London for the hundsome but presented by him to them.

Manager London Formal Town Education of the annual electory was not a single trial for largery from the hundsome but presented by him to them.

Manager London Formal Town Education of London States and the pention of the court. There are and resulted in the resolution of the only four conquery's of the july and of time story is that one latitudes ought to be cheful by the people; but we thank that the real gramme mayor, and Messes, A. J. Byman, J. but inferior court. Crime is an time to the charactery from the formation of the court. There are all of time story is that one latitudes ought to be cheful by the people; but we thank that the real gramme mayor, and the second watchers are located in the court. There are all of time story is that one latitudes ought to be cheful by the people; but we thank that the real gramme mayor, and the second watchers are all of time story is that one latitudes ought to be cheful by the people; but we thank that the real gramme mayor, and the second watchers are all of time story is that one latitudes ought to be cheful by the people; but we thank that the real gramme. Torra Flavorous .- The annual elecand resulted in the re-election of the old officers, to wit: H. A. Landon, Jr., mayor, and Mesers, A. J. Bynam, J. J. Jackson, Joseph Thompson, C. J. that the present incumbent has been of cruainal suits. Another argument the figure that the his of the order of whom we decided mayor and at the late election for the present method of electing are told that when he went courting he received every vote cast, which investigates. of which seven were to whiter and one his received every vote cast, which to blacks. of this county, informs as that he has sufficient on on his part. The newly three silver dollars dated respectively in the family for sevent-five years, and he has been offered \$500 apiece for them.

A Brown of this county, informs as that he has solicitation on his part. The newly elected officers met vesterday and by O Hooker, Eq., on foling to Yunecyville Cessolic omythat week of standard town of the family for sevent-five years, and he has been offered \$500 apiece for them.

A Brown of this county, informs as that he has solicitation on his part. The newly elected officers met vesterday and by O Hooker, Eq., on foling to Yunecyville Cessolic omythat week of the family for sevent-five years, and he has been offered \$500 apiece for them.

A Brown of this county, informs as that he has solicitation on his part. The newly elected officers met vesterday and before the constable, who will doubtless make a modern to the family for sevent-five years, and who has been offered \$500 apiece for them.

A Brown of this county, informs as that he has solicitation on his part. The newly elected officers met vesterday and by O Hooker, Eq. on foling to Yunecyville Cessolic omythat week. The parties were all men of high so each the has been offered \$500 apiece for them.

A Brown of this county has a rest of his substitution on his part. The newly elected officers met vesterday and by O Hooker, Eq. on foling to Yunecyville Cessolic omythat week. The parties were all men of high so its standing and the unfortunate Homicide.

A Brown of the newly has a rest of the substitution of the second of the has a special before the parties of the parties of the substitution of the second of the has been offered \$500 apiece for the newly has a special before the parties of the substitution of the second of the has been offered \$500 apiece for the newly and the newly has a special before the parties of the newly has a special before the parties of the newly has a special before the parties of the newly has a special before the parties of th

The Buffalo Gnat.

Kemaso, Tess., April 25, 1882. Entron Recond: Western Tennes-see and Eastern Arkansas are infested with a species of insect known as the At a glance they resemble the com-mon house fly, though they are not statural solater in the 35th North Car At a glattee they resemble the comolina Regiment, has a pocket knife
that he carried with him all through
the late war. With this knife he
helped to butcher the immense herd
of beeves that Wade Hampton's cav
alry captured in 1864 near Potersburg.

At a glattee they resemble the common house fly, though they are net
dupte so large. They make their
appearance early in the Spring and
shed blood firsty in-cets, and often
kill their victims by piercing and
surking the blood from them. While A Dangerous Fall—As the scal kinds of animals, they are especially dolling around the new court house was being taken down, a few days

sucking the blood from them. While these gnats are very amonying to all and frightful crimes. —The Su, disease of the kidneys, liver or urinary preme Court of this State has decisory or gains, as Hop Bitters will certainly deck, in the case of the State against and lastingly cure you, and it is the Freeman from Hendersonville, that a only thing that will. 25 feet. Fortunately no bones were broken, and, although the concassion injured him somewhat internally, yet ing their Spring stock of Dry Goods. Clothing, Boots, Shoes, &c. It will pay you to examine their stock. They will make a specialty of Clothing this Spring. They have decidedly the special concept of the special Spring. They have decidedly the most complete assortment in Pittsboro. They have also a large assortment of Ladies' Hats, and a beautiful line of Hat Trimmings.

By Ladies you should go to London's and see his pretty goods. He is making a fine display of Lace Scarfs, Tisaue, Lace Collars, Silk and Linen Handlegelighs, a submidul stock of mington by Mr. E. A. Oldham. It is their return until Spring, as they make their appearance only in Spring. J. W. Elssons.
