

THE PRESENT system of county government will be slightly modified in two particulars by the Legislature...

There can be no objection to electing school committees as proposed in the bill now pending. It allows the white voters of a white district to elect their committees...

A Railroad Commission will probably be established at the present session of our Legislature and while we have advocated and still favor the establishment of such a Commission...

The Legislature has very properly passed a bill, which has been amended and ratified, amending the law in relation to the assignment of a widow's dower...

The most notable jury ever summoned to hold a coroner's inquest was one in New York city last week. The following distinguished citizens were summoned...

The Legislature has only fourteen more working days before its present session must close by constitutional limitation...

Among other matters of legislation are the following: The bill to sell the State's stock in the Cape Fear & Yadkin Valley Railroad Company...

The Taxation bill will engage the attention of the Legislature. It is a bill to amend the act relating to the taxation of land...

An explosion occurred one morning last week in Andrews' restaurant, Norfolk, Va., killing the cook, injuring several persons, and damaging property...

Our Washington Letter.

Washington, D.C., Feb. 10, 1883.

Among the long-headed protectionists here, both in Congress and in the lobby, are quite a number who, now that the passage of a tariff bill before March 4th is impossible, are again forming an extra session...

The most interesting and important speech was made in the Senate during the present session from the South by Mr. James H. McMillen...

All the recently elected Senators are now in the city. They are all in the city and are all in the city. They are all in the city and are all in the city.

A despatch from Rawlins, Wyoming Territory, says: A coach which left Pacific Springs on the Sweet Water line, last week, was caught in the storm of Friday...

Value of Fertilizers.

N. C. AGRICULTURAL EXPERIMENT STATION, Raleigh, N. C., 1883.

Phosphates have been much cheaper for the last few months than they have ever been before in our State. The materials supplying ammonia are cheaper than they were last year...

Phosphate and Potash per 100 lbs. was 122 cts. last year. Ammonia 225 cts. per 100 lbs. was 25 cts. last year. Potash 60 cts. per 100 lbs. was 60 cts. last year.

Phosphate and Potash per 100 lbs. was 122 cts. last year. Ammonia 225 cts. per 100 lbs. was 25 cts. last year. Potash 60 cts. per 100 lbs. was 60 cts. last year.
