The Phantom Ship.

The anchor's weighed, the harbor past, Away! away! the ship flies fast. The skipper's wife is at his side, In fear she scans the darkening tide.

Pear not, quoth he, whou'rt sale with me
Though the nend himself, should sail the sea! And merrily het the breeze blow, Over the sea the stop doth go

The sea grow black, the want blew high; "A ship A ship?" the solors cry;

Down sank the blood-red sun in flame. But nearer still the vessel came She had no sails, no ours, no erew' But nearer, nearer still she flex. One lone, dark man on dock they see

The shipper stood with frozen stare, His men were white with wild deeps The tempest shricked, the sea way flame And nearer still the strange ship come. Down knelt the skipper's wife and prayed "God of the sailors, send us aid. Save us, O Lord! we cry to Thee!

Hurrah! Hurrah! the spell is done! The phanton ship is gone, is gone! The winds are tair, and fair the tide; The skipper's wife is at his side He holds her hand, he cannot speak, A tear rolls down his rugged check; Over the sea the ship doth go-
