#### Our Washington Letter.

From our Regular Correspondental Washington, D. C., Dec. 15, 83.

The usual delay in getting down MATIONAL CONVENTIONS. to sond work in Congress seems in liquot The national executive committee of the republican party met at Wash ington last week and decided to hold their national convention at Chicago. their national convention at Chicago, much before the second week of Jane on the 3rd day of next June. The way It cannot be said that these committee of the democratic party will meet, on the 22nd day of Feb parent, for it is absolutely necessary in the organization of a new Consequence of the statement made has a local party of the tendence of the second week of Jane of Tron Duff, Haywood county, respectively, and destructive the consequence of a second week of Jane of Tron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and allocation of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and allocation of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the business of Iron Duff, Haywood county, respectively, and the b ruary, and decide upon the time and place for holding their convention, gress that the members should have candidates of the two parties will be seein the gift of the American peothere and with the duties before them, and that the Speaker should have ample time for deliberation in the formation of his committees. In ple. These nominating conventions a body of the magnitude and imported to new comers. A large number are were not thought of by the framers tance of the National House of Rep also going into the counties further resentatives haste would be worse west. The tide has set to be our of the federal constitution, and than waste. It would cause disasthrough them the practical mode of ter. It would cause disast electing our Presidents has been on- to the spirit of our institutions that tirely changed from that first intend. Congress is growing more and more ed. The wise men who framed our into the control of committees, but ed. The wise men who framed our such is the tendency. Originally, constitution intended the President the committees were intended to should be elected by the Electoral facilitate and expedite the business College, which was to be composed of the House. As matters have of men elected by the people of the daffed, they monopolize that businesseral States because of their superior intelligence and who were superior intelligence and who were superior. rior intelligence and who were supposed to be more capable of choos
ing a President than the mass o'
voters. These Electors before their
election were not supposed to be
desired in a President than the mass o'
potential as a president of the presentatives, to day than there
election were not supposed to be
desired in the British House of Commons.
Debate on important measures is not
desired. committed to any presidential aspitation is performed in the secrety of fant, but were expected to meet to the committee room and the report gether and without previous prejution of a committee recommendation of a committee is generally conclusive. Without discussing the quosition whether this condition of things should be, there can be no gain saydent and Vice-President. Nominating the fact that it is, and there is an generally conventions were not then heard to wonder that the electron of a Seatle becomes a particular to the electron of a Seatle becomes a particular to the electron of a Seatle becomes a particular to the electron of a Seatle becomes a particular to the electron of a seatle that the report of a committee recommendation that the report of a committee is generally conclusions.

choice of their party conventions, quite certain to be called upon to excontrolled, as is too often the case, by sefgsh politicians. The people ought to take more interest in the primary meetings that appoint delegates to attend the conventions, and thus enforce the expression of their will.

THE STATE EXPOSITION.

If all the farmers in the State will take as much interest in the proposed State Exposition as Col. Joseph H.

Baunders, of Pitt county, it will be a great success. That gentleman has written a letter to the Raleigh News a Observer which we publish below and which we commend to our farmer readers with the hope that many of them will accept his challenge. We have never enjoyed the pleasur of meeting Col. Saunders but we well remembers attending his functal Sea, we once attended the functar services of a man who has survived them twenty years? At the hears ing out of the war Col. Saunders is at the case of the survived them twenty years? At the hears ing out of the war Col. Saunders is at the season of the twenty years? At the hears ing out of the war Col. Saunders in a stank as so long as the general major taken of the twenty years? At the hears ing out of the war Col. Saunders in a stank as so long as the general major taken of their or the superced at the proposed state to the superced from the State most of the county of the war Col. Saunders but we well removed the superced from the State most interested to the superced from the State most interested to the superced from the State most interested the function of the Superce services of a man who has survived them twenty years? At the hears fing out of the war Col. Saunders but we general importance likely to be deep the twenty years? At the hears fing out of the war Col. Saunders in a stank as so long as the general importance likely to be their townships will also the proposed stank and propos

The reputation of the Supermoner strending his functions. The reputation of the Supermoner strending his functions. The reputation of the services of a man who has survived them twenty years! At the breaking out of the war Col. Saunders resided at Chapel Hill and at the battle of Gettyaburg he was very seriously wounded and captured. His feath was announced, and in the Baptist church at Chapel Hill soft the serious services were held in his memory, which we attended as survived that the binnitishments of these companies are the binnitishments of the secretary. It is even hinted that the binnitishments of the secretary. It is even hinted that the binnitishments of the secretary. It is even hinted that the past of the secretary. It is even hinted that the binnitishments of the secretary. It is even hinted that they have captured him arready, and the circumstance that doing the same thint doing the same thint of the secretary. Raleigh Visitor: Hogan died very suddency and unex pectedly at his residence in Chapel Hill last night. He was 73 years old. He went to the post office after the mail came in, got his mail and returned home. He took a sear in a chair and remarked to his wife that he was going to die, and immediately expired, while sitting in his clair. On Thursday afternoon last, two sons, aged 12 and 14 years, of Mr William Warkins, who lives about three nule-from Rolesville, this county, were cutting on a pine log in their father-low grounds—bothous and log—when the axe in the hands of one glanced from the log striking and cutting the other in the thigh, making a deep wound, and severing an artery, from the effects of which he died in a few

momente.

Raleigh News and Observer: the meeting of the stockholders of the Atlantic & North Carolina carlroad, held at Goldsboro' on the 14th inst., it was decided to lease the road to the "Eastern Syndicate" for a period of thirty years. The rental as agreed agen is \$36,000 per annual for the first ten years, \$51,000 for the second ten years, and \$72,000 for the third ten years. The terms of the lease require that the road shall be extended Favetteville in four years. The case is to be submitted to the board choice of their party conventions.

Our Presidents, therefore, are plain certain to be called upon to explain selected by the national conventions of the dominant political party, and the people at the polls simply ratify the action of the convention. These conventions then sught to fully represent and express the wishes of the people, and not be conventioned to the people and not be conventioned to the people and not be conventioned to the people and not be conventioned to the board of directors for ratification.
