#### LOCAL RECORDS.

Look out for the X mark!

The winter is more than half gone, and no one regrets it.

When you come to court next week pay your subscription.

Read the advertisement of the Bynum Manufacturing Company. We hear that our popular

exercises of her school, on last Mou-day, and solicits the patronage of her

185 A white man, named Tom John-

term of our Inferior Court will begin next Monday. There are now more than 40 cases on the docket. A few of them are for largency, but the greater portion are for largency, but the great will be solved to the greater portion are for federing and we hear that ny copyrights as a slight, occasional application of them are for largency, but the great will be solved for the greater portion are for federing and two cases.

With much respect to you, your deeps the hair and scalp in perfect order.

J. W. Haesser. er portion are for fighting, and for re-tailing liquor without license. If the weather is not too inclement there will probably be a large crowd here, especially on Tuesday.

Guar Coal.-We hear that the "Continental Coal Company" is pre-pared to fill orders for coal or coke from its mines at Guif, in this county. We mentioned last October that an agent of the company had arrived there for the purpose of thoroughly testing these coal minus, and we are pleased to learn that the tests show valuable deposits of excellent coal.

"To the Homorbic Commissioners who live for fit of use them? of Chatham County Albright town Ship their has bin A per usion got up to oping A new read by A. F. Cox.
