

LOCAL RECORDS.

The young folks had a pleasant picnic on last Tuesday at the former residence of Mr. G. W. Thompson, near this place.

Last Friday was as quiet a fourth of July here as we have ever known, there having been nothing to distinguish it from any other day.

BRECKINRIDGE.—On last Saturday night, while Mr. John M. Pugh, of Hickory Mountain township, and his wife were absent from home some one broke into his house and stole several articles of value.

CARRIAGE CONVERT.—A few days ago, deputy sheriff John W. Smith, of Matthews township, arrested and carried to the penitentiary a notorious convict, named John Hopkins, who had escaped from custody last March while at work on the C. F. & Y. V. railroad.

BRIDGE AT HORNE'S.—Major Henry Dunlap has taken the contract for building the proposed bridge across Rocky river at the old Hackney mill, in Matthews township. The price to be paid is \$1200, and the bridge to be finished by the 1st of next December. It is to be a covered lattice bridge, 110 feet long and will rest on wooden piers. It will be erected about 100 yards below the mill.

A DISASTROUS RAIN.—On last Thursday there was the heaviest fall of rain in the western part of this county that has almost ever before been known. Not only were all the streams at once swollen out of their banks, but all the flat and level places became ponds of water. Several wash-outs occurred in the roadbed of the C. F. & Y. V. railroad between Siler and Egypt, but they were soon repaired. Many farmers lost a good deal of their wheat and oats which had been shocked in the fields and were washed away by the rushing waters.

SKETCH OF CHATHAM.—The editor of the Record is preparing a sketch of Chatham county, which will be published in pamphlet form for free distribution at the State Exposition. Not less than five thousand copies will be published, and a limited number of advertisements will be inserted to help pay the cost of printing them. To those persons who desire to sell any kind of other property this will be a rare opportunity for advertising their property, and their advertisements are respectfully solicited. It would also pay the principals of our county schools to insert their advertisements. Apply at once for terms, &c., before all the space is taken.

CHATHAM EXHIBITION.—We mentioned, a few weeks ago, that our State board of agriculture had employed Prof. Chance, of Pennsylvania, to make explorations among the coal and iron deposits of this State, and now we have the pleasure of announcing that he will at once begin work on Deep river in this county. He will be at work in this county several months and will definitely decide the extent of our coal veins. The owners of the Galt property have been at work some time with a diamond drill and are much encouraged with the results thus far. We hope the day is not far distant when our coal deposits will be fully developed and vast quantities be shipped to all parts of the State.

REMARKS BY MESSRS.—We would suggest the propriety of holding a ratification meeting at this place on the 22nd inst., that day being Tuesday of Laborer count week. A large crowd of our citizens will be here on that day and it would be a favorable time for having a good crowd to fill from over the mountains in the State and national conventions. So about the attendance of all our citizens in the county, and the committee in Chatham are organized in this way.

Since the move was in fact, we have seen Mr. A. A. Womack, the chairman of our county executive committee, and he authorizes us to announce that there will be a ratification meeting held here, as above suggested, on the 22nd.

COMMISSIONERS' MEETING.—We are requested by Mr. R. James Powell, the chairman of the Exposition committee, to meet on the 22nd inst. at a meeting of all the township committees, for the purpose of having a good crowd to fill from over the mountains in the State and national conventions. So about the attendance of all our citizens in the county, and the committee in Chatham are organized in this way.

LAST OF JULY.—At the last meeting of the county commissioners, the following were drawn as jurors for the first week of the next term of our Superior Court: Charles C. Galt, Sr., J. C. Galt, Jr., Andrew Thomas, Hiram Love, Benjamin Burns, Anderson Jones, Amos Fox, T. S. Cole, M. C. McRae, J. W. Odum, W. M. Johnson, W. D. Harrington, Laban Moore, Lammie Hatley, J. E. Perry, O. G. Guthrie, T. B. Farnum, W. D. Torgue, A. M. Self, W. H. Browning, W. B. Wicks, H. H. Stephens, N. B. Gaffney, R. D. Talley, Wm. Wright, J. R. Lane, C. O. Crandall, John Hart, J. L. Hackney, Glover Aven, J. N. Newlin, E. C. Brewer, Robert Cooper, T. N. Womack.

OUR PRIMER RAIN.—The needs of this county are now in a worse condition than we have ever before known them at this season of the year. This is caused chiefly by the frequent heavy rains that have washed the soil away, and it is hoped that these rains have ceased for awhile, and we would urge upon the overseers the importance of now going to work and at once putting their roads in good condition. The busy season has about passed and the road boards can move conveniently now than at some other time to go to work. At the last term of our Superior Court, the grand jury presented quite a number of overseers, and as the next term of this court is held a week after next it is probable that the next grand jury may do the same thing. We mention this as a timely warning, in order to save trouble to some of our friends. The worse roads in the county are now this place, and as the grand jurors, in going to court, will travel over them they will have an opportunity of inspecting their condition.

OUR COUNTY COMMISSIONERS.—Thus far there have been very little gossip as to who will be our county candidates this year. Our people have been so much interested in the nominations of the Presidential, gubernatorial and Congressional candidates that they have given but little attention to the county candidates. The matter is now however beginning to be agitated. Among the possible candidates for the Legislature, who are here, heard mentioned, are Messrs. C. R. Scott, James A. Vison, T. B. Womack, and John R. Lane. We do not know that anyone of them is an aspirant for the nomination, but their names are spoken of by their friends, and there may be others of whom we have not heard. It is said that our popular register of deeds will have a formidable competitor for the nomination in Mr. L. J. Kirkman, and that Mr. John R. Paschall will be the "underdog" candidate. We have not heard who will be identified with the nomination, but the nomination, though Messrs. Olan A. Heener and Spencer Taylor are sometimes mentioned in that connection.

TEACHERS' INSTITUTE.—The Chatham county Teachers' Institute, for white teachers, will be opened at the court-house, in this place, on Monday the 22nd of this month, and continue for one week. It will be conducted by Rev. P. R. Law, who will be assisted by Messrs. C. B. Denson, W. H. G. Adney, R. P. Johnson and H. H. Siler. Several distinguished speakers from abroad have been invited to deliver lectures. A full attendance of the teachers of the county is expected, and we doubt not it will be both a pleasant and instructive occasion.

SUNDAY SCHOOL CONVENTION.—The convention of the Methodist Sunday school in the Cape Fear Circuit met at Osceola, in this county, on last Friday and was in session three days. The convention was organized by electing Mr. J. O. A. Kelly president, Mr. B. W. Brown vice-president, and Mr. G. T. Adams secretary. There were eighty-seven delegates present from the different Sunday schools, and a large crowd of visitors attended every day. Rev. Messrs. Kendall, Perry, and Pell were the ministers in attendance. All the proceedings were pleasant and were much enjoyed by those who were so fortunate as to be present. Much interest was manifested in the work of the convention, and the cause of Sunday schools was greatly benefited. The next meeting will be held at Parker's Grove, in Cumberland county, beginning on the 22nd of next August.

PROPOSAL TO FENCE.—The young ladies from this place who attended the teachers' meeting at Waynesville have returned delighted with their trip. We notice in the Raleigh papers that Mr. Eugene Hancock, who was the "getter up" of the convention, was a great war-horse, that was presented to him by the young ladies from Pittsburg and Scotland Neck. The summer time has been so good that not so many visitors as usual are this year summering in our town. Among those now here are Mrs. H. M. Drame and daughters, of Mason's Gap; Mrs. R. H. Cowan and children, of Wolf-creek; Mr. J. H. Carole and family, of Wilmington; Mrs. W. M. Jones and children, of Carey; Miss Adelle Bagley and Messrs. C. C. Haggard and R. M. Cowan, of Raleigh; Mrs. W. E. Hay, of Apex; Mrs. Parves, of Statesville; Miss Emily Lloyd, of Barbours; and Miss Maggie Hamilton, of Charlotte. Mr. E. C. Jones and family, of Wilmington, returned at home last night after a tour of visit here. Rev. F. L. Bash and wife returned yesterday from a month's visit North.

That the county clerk be and he is to see that the county records be kept in the best manner possible. 2. That the county clerk be and he is to see that the county records be kept in the best manner possible. 3.
