BY Moore court next week.

WH. G. Adney for a basket of very large "Sheepshead" apples.

WH. G. Adney for a basket of very large "Sheepshead" apples.

So Sheriff Brewer says that the reops in Chaltman this year are better than he has ever before known.

So Get all your neighbors to take the Recomb during the campaign only 50 cents until the election.

So The citizens of this placenauce information of the stroke of apoplexy. He was selected with a formular at the mouth which continued condition. They campaign, but no account of the adventure of the first whom we have heard of being arrested for the reaking out of particular to the county and the selection.

So The citizens of this placenauce in whether the placenauce in the second with a stroke of apoplexy. He was selected with a formular at the mouth which continued condition. They campaign and morning when he died.

New the Enterprise: This is a very the was selected with a formular at the take crops heing threshed show that the errops in this case of our colored to the target progress has been made in wheat and the progress has been and ein wheat and the progress has been and ein wheat a freed progress has been and ein wheat and the progress has been and ein wheat a freed progress has been and ein wheat and placed show that the errops in this section and the progress has been and ein wheat a few the errops in the section of the standard and placed show that the errops in the solidation. They are the public standard and placed in the progress has been and ein wheat are graining for the campaign, but to the public standard and placed in the progress has been and ein wheat and placed show that the errops in the solidation. They are the public standard and placed show that the errops in the public standard and placed the progress has been and ein wheat a few throug

early urge upon all those, who intend countries and the content and packed it in large, carried living some four unless north of charles to exposition, the necessity of immediate action. There is no time for delay. Our country was an ad-shipped it to England to est its value as a libre compared with committee have requested that all articles for the exposition shall be ready by the last week in Aggust, and, if possible, be brought bere for classification and arrangement. A few least and the contents were barned, with classification and arrangement. A large number of circular letters have been distributed through the county requesting our citizens to inform the committee what each one will con-tribute, and at what place it will be most convenient to deliver the acticles. No citizen will be put to any

Roan Surgentesons.—The law says that the magistrates of each township shall have the control and supervision of the public roads in their respective townships, and they are styled the "Board of Supervisors. The law also says that they shall meet next Saturday. To the purpose of consulting on the subject of the condition of the roads in their township," and during this week the law directs that they shall "go over a secretary, through whose court their township." A compliance will close on Saturday. It is continued by Rev. P. R. Law, county ship," and during this week the law directs that they shall "go over and a personally examine all the roads in their township." A compliance will close on the subject of the latter than their township. A compliance will respect the subject of the subject of the latter to the public.

Conoxia's Isomese.—The coroner's inquest upon the body of the latter James Pace, late of the rearing the will the subject of the latter James Pace, late of the rearing the will be subjected to the public instruction. The coroner's latter than the subject of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter James Pace, late of the carried the following serviciet:

Conoxia's Isomese, The coroner's latter and description of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inquest upon the body of the latter of the coroner's inques

been our pleasure to hear.

\*\*Both\*\* The local freight trains on the R. & A. A. L. R. R. now meet at Moncare about 12.30 o'clock every day except Sundays, instead of at Sanford as heretofore.

\*\*Both\*\* Mr. Charles Creel died at Cary very suddenly of heart-disease last Friday. He was married, two years ago, to a daughter of Mr. William Heathcock, of this place.

\*\*Both\*\* We are requested to amountee that R. W. W. L. Sanith will preach the that R. Sanith will preach the far feet of the second part of the second part of the second part of the second part of the death of Major Alfred with the case of the death of Major Alfred to example purposes, if is not surprising that the elaction of that office campaign purposes, if is not surprising that the elaction of that office appears to be sent to the county with the death of Major Alfred with the death of Major Alfred to example purposes, if is not surprising that the elaction of that office appears a sittle for bandy and ender for the stomach's sake. Many of the apples measure this season from ten to find the withdrawal of the delegated a stomach's sake. Many of the apples measure this season from ten to find the withdrawal of the delegated above mentioned, Mr. Walter D this young man came here from the stomach with the was married. It was president of Louisana. He same that the same transferred to Dr. Wineder's deliver application of the death of Major Alfred with the elaction of the county was for campaign purposes, if is not surprise the leading of the money that tree that was set out at the same transferred to be sent to the county because of the death of Major Alfred with the case of the campaign purposes, if is not surprise with the monty that tree that was set out at the same transferred to be sent to the county was to the death of Major Alfred with the elaction of the close to the death of Major Alfred with the appears a street to be sent to the county because of the death of Major Alfred with the and the with the elaction of the close to the death of Major Al was nonmed now as his apples.

Passoxi Irris.—We were pensed to fineral sermon of the late Charles Dismukes at Rock Spring church, on the third Sunday in August.

By Bynum & Headen are now offering for casu great bargains in Millinery Goods, Straw Hats, Ready made Clothing, and also their general stock. Fruit Cans on hand. Dried Fruit and Woot taken in exchange for goods.

Young, but after this county was presided as chairman. Mr. Caleb B transferred to Dr. Wheeler's district, sometime has year, that officer appropriately form the "Tobacco Plant," was nonmated for the "Tobacco Plant," was nonmated for the longer of the wharf were betaily destroyed, non-shy acclanation. A just compliance in the was thus paid his popularity, his caleb B transferred to Dr. Wheeler's district, sometime has year, that officer appropriately form the "Tobacco Plant," was nonmated for the "Tobacco Plant," was nonmated for the longer of the was destroyed, and so for several months he has been "mined out to grass." It is natural theo that there snoul-there snou The Recom's first "devil", Mr. order to buy their voices, and that Moore retaliated by charging Headen
