best attested by his repeated re-elections, having served continuously for seventeen years. It is somewhat remarkable, and well illustrates the conservatism of our supresse court, that with the exception of a temporary appointment in 1868, there have been only two clerks of that court in best attested by his repeated re-elections, having served continuously for seventeen years. It is somewhat remarkable, and well illustrates the conservatism of our supresse court, that, with the exception of a temporary appointment in 1868, there have been only two clerks of that court in the flouse, which was at the delicitations of this body, that they thought they would like to that they thought they would like to constitution of the Sarte work actually performed by each, ance of the feminine element at these markable, and well illustrates the conservation of our supresse court, that, with the exception of a temporary appointment in 1868, there have any appointment in 1868, there have been only two clerks of that court in the flouse, which is they thought they would like to constitution of the Sarte work was a predoming that they thought they would like to constitution of the Sarte with a form and article 14, section at they would like to constitution of the Sarte with a constitution of the Sarte with a few such as a matter of court and article 14, section and artic

were attended by an unusual conscious sister. This is the first time I have expresses carnest faith in its future seen him. I knew him at once The pictures we see of him are good thought by the highest State officials. I think he is fatter than specifies and asked the andhence to roughing tributes to one so much be. is decidedly more baid than it had and necewas about chorus. These who are in favor of woman suffrage of aye, she called, loved for his annable, generous and thought. His sister is not pretty—sympathetic nature. The deceased I believe she runs on her introduced who are opposed say that the layers a widow—a daughter. leaves a widow—a daughter of the ality-late ex Gov Worth—and six children. to mourn their irreparable loss.

diminished the energy and enter- and the fire spread rapidly

energy and enterprise to the square schooner Holmes were burned. inch in Wilmington to day then there was a week ago. A large por-tion of the business portion of our for city is to ashes, it is true, but it will rise from those very sches of fairer and more goodly proportions than ever. It will not be a matter of years but of months, and not an end of yesterday. The cause of years but of months at that, in which to rebuild the burnt district and before February shall be with us again we will be able to point with pride to the handsome business houses which wit cover what is houses which wit cover what is houses which wit cover what is an end to have been prompt the calculation. The exact near the interval of the calculation of a term of the calculation of the calculation of the calculation of the calculation. The exact near the interval of the calculation of the c

from riew.

In reality, the calamity may prove a blessing in disguise. It will resulted some old and unsightly structures with more handsome and substantial erections; it will give employment to many who have herstored from row ongst work in vain and it will prove to the world at large that we are of it and with it and do not it mild by fire last Saturday. The loss is allow \$5.000; no insurance. Judge Tomas are for commercial supremacy.

The residence of Judge Thomas and the appetite and department of the public fund were made in the other the joints are neither root to the world at large that we are of it and with it and do not insurance. Judge Saturday. The loss is about \$5.000; no insurance. Judge Tomas are for commercial supremacy.

The residence of Judge Thomas and the appetite and digestion good to the public fund were made in the other the joints are neither root to the world at large that we are of it and with it and do not insurance. Judge Saturday. The loss is about \$5.000; no insurance. Judge Tomas are for commercial supremacy.

The residence of Judge Thomas are two forms of chrotic flemantsm: one in which the joints are neither the disburse on purposes for which the disburse

Washington Notes

[From our Special Correspondent.]

WASHINGTON, D. C. Feb. 20, '86. Washington, in the summer, must

The State has lost a most efficient other since. If the aborigines were before, and state of a state of some o

lents, who were on the abovers of the abovers. E.B. Freeman was elected clerk in 1835 and served continuously until his death in 1868, and Maj. Bagley was elected in January, 1869.

Not only as an officer, but in all the relations of life, Maj. Bagley did his full duty, and the high esteem in which he was held while hiving was stringingly exhibited by the unusual marks of respect paid to his memory, when dead. His funeral obsequies were attended by an unusual con-

Fire at Wilmington. WILMINGTON, N. C., Feb. 21. - A dis-The First at Wilmington, on last Sunday, was probably the most destructive that has ever occurred in this State, the value of the property of this city this afternoon, the loss from which will probably exceed half million dollars. The fire originated on the over steamer Blanks for the week's doings in Course and some hissed white others. Banks fiveness tax.

As to the week's doings in Course factles Revisal, sale of, which was loaded with cotton. The property of the House and the great Course along the sale of the course of the destroyed being about half a mit den, which was loaded with extronous lion dollars. And yet notwithstanding this heavy loss it has no way light wind was blowing at the time. Educational bill has had the right of Corporations, ax on.

Contragences.

Contragences diminished the energy and enter and the fire spread rapidly sweeping and the fire spread rapidly sweeping away business houses no Water street of "our city by the sea." Full of for three blocks and many valuable residences on Front and Second pluck and energy they at once raised funds sufficient to relieve the needy and destitute, and began to rebuild church, the offices of the Atlantic for a monument to General Grant.

Hose also anomore of auti-Chinese measures. Among new measures measures. Among new measures measures measures are the first department. Express companies tax on, free from private secretary of streets, and assitute, and began to rebuild church, the offices of the Atlantic for a monument to General Grant. the waste places. As an indication of their spirit we copy the following from the Wilmington Review.

The calamity which has afflicted us is not by any means a deadly one. There's life in the old land yet and there is more real vim. life. The steamer River Queen and the square schooner Holmes were turned.

She Thrashed Her Standerer. Anita, Iowa, Feb. 20 - Miss Grace Hendricks, a relative of the late Vice President, publicly cowhided H. L. Brown, a leading member of the Conhouses which with cover what is now the unsightly marks of a terrible conflagration. Already has the work begun and it will go on from day to day and from week to make the work until the lost vestige of the ashes has been covered up and hid from view.

In reality, the calamity may prove
