## THE STAY-AT-HOME.

S SOUTHERS SEED II

Everylesiy knew where Davenport's was, and everybody in de pilgrimages to whether the need took the form of a about the way he had backed after his spool of sewing silk or iron entings for wife and clother during his own absence ony such factions and of prominence, quite sure of it when Dov uport, resting As well label the country court house as his blue eyes culmiy on him for a mohouse and one Diverport's and honors ect way bow or them in Slowville, Farthermatz (quepes of a sign), human ingenuity would have been staggered to compose any inscription for a sign that would have been measurably descriptive of the olla podrada on Davenport's

Mail day was Davenport's barvest day feit matters within the store must be pressng indeed to force Devenport himelf behind the counter. He tooked curiously out of place weighing plang to bacco ribray ig a quart of black molasses in parment for a dezen eggs, There was a totally irreconciliable incongruity between him and his ourroundings. He had the build of an tibe training. His bead, superbly throat, was ever rel thickly with a gelwould have done something with himself to the world. As it was, he shirked the tolineco lox and the molasses barrel whenever practicable, and in the long summer days, when there was not much deing, he case Keats and Coloralgo with oblivious designs on the long story gal-He but not been away from home to school, "couldn't be speed from the store," He had grown up to it, but has grown up to it, b lery, fighting thes with rose hand a title neighborhood; his busy, our st specunomegranate bushes there were clouds longer pout of him. She hung her head for him, and he knew it-knew it and winest moder it sitently, and thought envisors of the men who were off with the army, fighting and bring

When the river was blocked at and all . The victor of the Mississippl, from Validerry to N v.O leans, vicinally in a stage of sings, people said: "New Davenport's bour of a had come," and those who had been most open in denouncing hem recalled their rush words egretfully. What they had said was all true, of course, but it ad better been left unsaid, for in all were medicines, or sugar, and tes, and meal, and everything that went to sustain life to be presented. The granders ceased granting and the great mill wheels stood motionicis. The ungathered crops stood in the fields, at the mercy of maranding cattle, A universal reized upon the land, Paliid-faced women asked, What next!

changed his wound for their.

Yes, Davenport's hour of triumph had come! He did not call it his hour of He simply said that had betailen which he had known all along must come. Then, julic-lously, wisely, patiently, he began his ministerribus, moting out comfort of a majerial sort with the stern impartiality of a judge on the beach, and the patient tenderness of a Joseph yearning over his suffering brethren. In the convince those I flows I wasn't Nothing that led to the reinst of necessarily and or general at the very least, instead

sity was too remote for his neute grasp of a poor stay at home skulk. You of the situation, nothing too minute to know our bays weren't much of dandle, secure his attention. Without price he gave up his hearded substance, and long after white sugar became a luxury too more a crowded rendervous, and were existly for consumption on the tuble in your salternate with crop and policie all the later which crop and policie all the later with a later with crop and policie all the later with a later wit at them inscribilly, and they were comforted. They said among the melves: Yerk Post.

"He took it so lightly, is had never cared much." Not much-you see there wasn't the making of a here in him. All the glory was reserved for the men who had gone away in uniform.

wenu led, not bad y, but he had fought splendidly and was entitled to a short it in the hour of need. No matter hundsom and grateful to Davenpert gin stand somewhere among Davens in the army, and he sincerely hoped "Davenport" sported no about Davenport's heart had died from it was promity independent of his memory. They had not he felt ment, burned slow y on his level and be-Fairfax did not come to the store any it would have riz right on end. more after that, but remained closely at There was no one to whom he could inathlete, and was one, without any seien-tific training. The head, superbly shower pure he turn do has treed horsely shower pack be turn d. List field horse's type on deck and all hands booking at the story may disastrate the fact that the apportunity, head horseward. He would have liked me. You see the critter had even the same things which appear tempting us. Many attempts
