

The Chatham Record.

Does Anyone Know?

Does anyone know what's in your heart and mine. The sorrow and the song. The demon of sin and the angel divine...

UNDER A CLOUD.

"Dear me!" said Mrs. Pell. "What is the matter with Carry? Ain't sick, is she?" Mrs. Pell had come up to her to her room to borrow a dust pan...

Mr. Jessup, nodding his head toward Carry Belton as he stood in the doorway. "Certainly not," said Mrs. Pell, bristling up. "This is a door above the 'O' C' rooms."

"What did he say, Carry?" "He said he did not care—he wanted me to be his wife all the same." "And you?" "Mother, I told him that could never be. I never could let the crowd which has darkened my own life overshadow his."

CHILDREN'S COLUMN. CHILDREN SOWING SEEDS. Are you sowing seeds? I think a little seed! You can never be too careful, Little ones!

CLARA BARTON. Founder of the American Red Cross Association. Her Noble Ministrations to the Sick, Wounded and Afflicted.

Distribution of Seeds. Mr. Darwin found that the small portions of earth attaching to the feet of migrating birds contain seed. Nine grains of earth on the leg of a woodcock contained a seed of the woodcock...

Humorous. To remove pain—So on it. Not the "accident grayhound"—"OOG scandals." Some men never foot a bill without kicking.
