

LOCAL RECORDS.

The past few nights have been quite cool, almost as cool as fall nights.

We are disappointed at not receiving the President's Message in time to publish at least a synopsis of it in this issue.

Mr. Joseph L. Petty, of Hayler township, says that from one Irish potato he raised a bushel. This is the largest yield that we have ever heard of.

For monuments and tombstones of the latest and prettiest design write to R. Rogers & Co., proprietors Durham Marble Works, Durham, N. C.

Mr. A. P. Terry has put up a brandy still about a mile north of this place, and is buying all the peaches and apples that he wants at only 15 cents a bushel. Did you ever hear of fruit selling so cheap?

Dr. W. H. Edwards, of Wake Forest, will visit Pittsboro on Monday and Tuesday following the third Sunday in every month, and will be at Monroce on the following Thursday and Friday, prepared to do any kind of dental work.

A few more of those cheap dress goods at W. L. London & Son's - and soon if you want any. We are selling this week a large lot of pants for \$1 per pair for cloths worth \$1.75 and \$1.50. Straw hats at less than cost, and ladies' hats, &c., at very prices. Special bargains for the cash.

They have received another lot of shoes at W. L. London & Son's this week. They now have a full stock and are selling some extra bargains. You can now buy a low cut shoe very cheap. Come and see if you can be suited. If you need a good trunk you can find it at W. L. London & Son's.

We regret to hear of the death of Mrs. Jennie D. Alexander, of Mecklenburg county, which occurred on last Sunday. She was born and reared at this place, being a daughter of the late P. S. Davis, Esq., and was a very estimable and kind character. She was 43 years of age, and leaves a husband and six children.

On last Monday, 18th, Mr. Arthur H. London and Miss Char- lotte Trines were riding in a buggy, near this place, the horse made a sudden dash and attempted to run away. The horse sprang so suddenly as to cause Mrs. Trines to fall backwards on the ground, but fortunately she was not hurt except slightly bruised, though it was a very narrow escape from a serious accident.

Com and Where - It is a most remarkable fact that corn is now worth more than wheat. The price of wheat at this place now is 75 cents a bushel and the price of corn is 75 cents. Usually a price of wheat is much in excess of the price of corn. If the scarcity of money makes the price of wheat so low, why does it not also reduce the price of corn? We respectfully suggest this question to the serious consideration of those prudent agriculturists who assert that the old principle of supply and demand has nothing to do with the price of any commodity.

List of Judges - At the last meeting of the county commissioners the following were drawn as jurors for the next term of the superior court of this county:

- First JURY - J. H. Harris, A. W. Fitts, W. H. Thompson, James A. Brewer, W. F. Rives, W. J. Womble, G. W. Maddox, J. G. Foushee, T. C. Blackburn, H. M. Perry, Sander Durhan, H. E. Brooke, C. E. Goodwin, A. C. Moore, H. Starns, J. H. Ray, R. L. Lambeth, Gaston Lloyd, J. B. Riggsbee, A. A. Lamb, S. D. White, A. G. Thompson, J. W. Goldston, J. A. Goodwin, W. G. Horton, G. W. Riggsbee, J. F. Mann, J. M. Johnson, James W. Ansley, M. G. Johnson, W. G. Check, John L. Tysor, J. M. Griffin, W. B. E. Johnson, G. G. Herndon, E. L. Lindley.

Ex Confederates Meet - In pursuance of the notice published in last week's Herald, quite a goodly number of ex-Confederate soldiers met at the court house, on last Monday, for the purpose of organizing a camp of the United Confederate Veterans. Much interest was manifested in the objects of the association, and, after enrolling the names of those present, a committee with Capt. W. L. London as chairman, was appointed to prepare a constitution and by laws and to suggest the names of the officers of the camp, and to report at an adjourned meeting to be held on the first Monday in September. Every one present was requested to solicit other old soldiers in their respective neighborhoods to attend the next meeting in September and join the proposed camp. It is customary to name every camp in compliment to some deceased Confederate soldier, and several names have been suggested for our camp in Clatham. The name of the camp will designate the name and names of some of the Confederate soldiers who served in the defense of the lost cause. What shall that name be?

S. S. CONFERENCE - The annual conference of the Methodist Episcopal churches in the Pittsboro circuit was held, on last Friday, at Hayler Mountain church, six miles east of this place. A large crowd attended and the occasion was greatly enjoyed. Appropriate addresses were made by Rev. W. R. Moore, D. P. and Messrs. A. H. Merritt and J. A. Alston. The singing was one of the pleasantest parts of the exercise. Rev. C. W. Robinson, the pastor of the church, conducted the exercises and presided over the conference. A beautiful lot of "saccharine comfits" was provided by the hospitable attention of the neighborhood and was much enjoyed by all who were present.

REPORT S. S. CONFERENCE - As has heretofore been announced in the Herald, the North Carolina Baptist Sunday School Convention will be held at Mt. Vernon Springs, in this county, beginning on the 22nd of this month and closing on the 27th. This will be a summer school of those interested in the Baptist Sunday Schools of this State, and its object is the discussion and consideration of the methods of teaching, ways of working and management in the Sunday school. Many of the most prominent Sunday school workers in the State will be present, and an interesting and instructive program of exercises has been arranged for each day of the meeting. This will be the first meeting of the kind held in this State, and it is expected to be a great success as to have one every year hereafter.

Lawlessness in Kentucky. Louisville, Ky., August 7. - The White Caps of Boone township, Ind., burned the home of the Curriels tonight. Today three ruffians horses owned by three White Caps - John Keatley, William Fisher and William Hobbins - were found. It is thought that their owners have been killed by the Curriels, who have returned from Kentucky. They say that they have three more men to kill. It is thought they are hiding in the woods. Harrison county is covered as never was before over the numerous ambushes and everybody is going armed. The Curriels are asking others to help them, and a bloody battle is expected in the next twenty-four hours.

The Cuban government has decided to furnish all prisoners to Spain in the event of a Cuban restoration project.

Subsidiary Trade. Mr. J. G. Foreman tells us that the people do not know what has become of their money. He is passing through that country a week or ten days, and has stopped with a gentleman during the night and was surprised to see such an abundance of everything about him. At the very same time he was filled with things of value, which he had not seen in many a day. He was informed that the man was a dealer in goods, and that he had 2,000 pounds of goods in the store. He had a great deal of money, and he was a very successful man. He was a dealer in goods, and he was a very successful man. He was a dealer in goods, and he was a very successful man.

Warrant on Record. Our county after this will be independent of the world for something to eat. There will be an abundance made at home and old Warren, having abandoned his former practice of working cotton and tobacco to buy every thing else, has entered upon a new era of prosperity, and we have no doubt will soon regain the prominence she once enjoyed among the counties of the State.

Jonesboro Journal. The large steam shovel that is being operated between here and Egypt by the Cape Fear and Yadkin Valley railroad is attracting considerable attention. It is a "big" thing, with a few feet more than a truck, and is a very interesting sight. It is a "big" thing, with a few feet more than a truck, and is a very interesting sight.

Wadeboro Messenger. During the forenoon thunder storm of last Monday afternoon, a cow belonging to Mr. W. A. Carlee, whose family is employed at the cotton mill, was struck near Mr. Carlee's home. The cow was fastened to the stake by a chain twenty feet long. This chain was struck by lightning at a point about a foot from the cow's head, and from there every link, except two, in the direction of the stake was unknocked, but the cow was not hurt at all, strange to say.

Durham Sun - W. H. Thompson, who runs a job printing office in this city, has a genuine vermilion pipe that is nearly one hundred years old. It is in splendid condition now, and would excite the envy of lovers of the pipe. It was first owned by Dr. W. P. Henderson, of Greenville, father of Betty Henderson, of Yanceyville. Dr. Henderson and Daniel Whitford were great friends, and on one occasion, when they were both in Raleigh together, the Doctor bought this pipe, paying one hundred dollars for it.

New Advertisements.

To the Public. Our buyer has been North for the past two and a half months and has visited New York every few days in search of goods.

He has succeeded in obtaining bargains for the early Fall Trade and also for the present. We will only mention one item - the TOWELS that he bought and we sell at 30 cts. a dozen. They are sold in all other stores at 60 cts. a dozen. They will give you a small idea what an advantage we have over all our competitors.

We buy largely and watch the market at all times. We keep our stock complete at all times and sell our goods cheap enough so as to turn over money over often.

Our Motto is ONE PRICE and CASH and it has caused the large success that we have had in business. Don't forget that we sell as cheap as the balance of the trade and on a good many items we are cheaper than we buy larger.

Very respectfully,
Woolcott & Sons,
11 E. Martin St., RALEIGH, N. C.
