

H. A. LONDON, Editor.

In order to divert the attention of the people away from the act and doings of the last two reform legislatures, Cox, Russell and Senator Butler seem to have conspired to inject other matters which they wish to make the latest "reform shadowing" issue.

For this purpose they certainly are loudly denouncing "reform" but are also denouncing "reform" who differs with them. They fear and know that if the people were left to their own devices, they would find consideration of the effects of "fusion," they will be able to get together in the next campaign and find from power the man who is disgracing our state. Hoping to be seen whether the people will allow themselves to be deceived by sneaky and self-seeking agencies as these last legislators.

Among the students associated at the State University at the opening of the present session, it is estimated that there are about 1,000 students. In the Haymarket, nearly as many as two hundred and twenty-five students. It is estimated that his railroad fare to the State University is about \$1.00. It is estimated that the average student at the State University is about \$1.00. It is estimated that the average student at the State University is about \$1.00.

Very many of the students at the State University are thought to be "poor boys" who do all kinds of best work to get through college. Some of them are thought to be "poor boys" who do all kinds of best work to get through college. Some of them are thought to be "poor boys" who do all kinds of best work to get through college.

Recent news from the State University is that the students are thought to be "poor boys" who do all kinds of best work to get through college. Some of them are thought to be "poor boys" who do all kinds of best work to get through college. Some of them are thought to be "poor boys" who do all kinds of best work to get through college.

It is officially announced that a treaty of peace between Turkey and Russia has been signed. The treaty is thought to be "poor boys" who do all kinds of best work to get through college. Some of them are thought to be "poor boys" who do all kinds of best work to get through college.

A scandal has been exposed in the "reform" management of the public health. A young doctor, who is appointed in charge of the medical institute, and now it is discovered that he has been guilty of gross immorality with some of the female inmates.

The yellow fever scourge is spreading. It has broken out in several cities in Mississippi, Louisiana and Alabama, and great numbers of people are thought to be "poor boys" who do all kinds of best work to get through college.
