

Thanksgiving Day.

Today is our annual Thanksgiving Day—set apart by our highest civil authorities and sanctioned by long customs...

And if every people has a special cause for thanksgiving to Almighty God...

And the people of North Carolina have peculiar cause to give thanks today...

And in giving thanks let us not forget the poor and suffering...

This official count shows that our next Legislature will be composed of 131 Democrats and 30 Fusionists...

This large majority enables with it a grave responsibility...

ALREADY the office-holders' organs in this State are beginning to suspend publication...

It is last week's Chatham Record Senator Butler favors the calling of a convention by the next Legislature...

But you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

The New Israelites.

One of the most remarkable phenomena of the present time is the growth of the new Israelites...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...

And if you call a constitutional convention at your own peril...
