GOOD ROADS NOTES.

Secret of the Road Building Art. Henry I. Field, the State Commissioner of Public Roads of New Jersey, has issued an annual report for 1920...

The report is addressed with hand some style to the 'before and after' pattern. They show the big difference between the old and the new roads...

The method of building nowadays is an expensive but a safe one. Experience has shown that the earth is properly drained, is good foundation as can be had...

In building the State favors a system of maintenance and not a system of building. The State favors a system of maintenance and not a system of building...
