

The Democrats pay the bulk of the taxes that defray the expenses of our State government, and therefore they are more interested in saving every expense than the Republicans, the majority of whom are negroes who pay very little tax. And, if the Democrats should be extravagant like the Republicans were, they would be extravagant with chiefly their own money, whereas the Republicans were extravagant with the money chiefly paid by Democrats!

Madison, Fla., Jan. 4.—Two colored men, Jim Denison and a half brother, were taken last night about 10 o'clock from the county jail here, by persons unknown, carried into the woods about a half mile from town and hung. The bodies were also riddled with bullets. They are the persons who a few weeks ago were charged with the killing of Frederick Redding, a farmer residing in the northern part of this county. They fled to Georgia, were arrested, brought back to this State and confined in the Leon county jail.

Ex-Gov. Curtis H. Brogden died at Goldsboro on last Friday night, aged 85 years. His death leaves Gov. Jarvis the only ex-Governor now living in this State.

Mr. Russell has appointed George Furches as Chief Justice, succeeded Judge Faircloth and appointed Charles A. Cook, Warrenton, Associate Justice.
