

Lost Hair

"My hair came out by the handful, and the gray hairs began to appear. I tried Ayer's Hair Vigor, and it stopped the hair from coming out and restored the color." — Mrs. M. D. Gray, New Salem, Mass.

There's a pleasure in offering such a preparation as Ayer's Hair Vigor. It gives to all who use it such satisfaction. The hair becomes thicker, longer, softer, and more glossy. And you feel so secure in using such an old and reliable preparation.

It costs a trifle. All druggists.

Stopped the Ceremony.

The wedding was going well. A splendid feast was being served. The bride had just been pronounced. The organ stopped, the bride had dropped. Back fainting, the bride had dropped. So when in the midst of the ceremony.

The speaker felt some qualms. "I only said you should be true." He spoke with some trepidation. "Until three minutes past five you have not said a word."

THE SURGEON'S KNIFE

Mrs. E. H. Stevenson of Salt Lake City Tells How Operations For Ovarian Troubles May Be Avoided.

"Dear Mrs. Pinkham— I suffered with inflammation of the ovaries and womb for over a year. It was very painful and I had to use all kinds of medicine. At last I found those who have had the same trouble."

Remember every woman is cordially invited to write to Mrs. Pinkham if there is anything about her ailments she does not understand. Mrs. Pinkham's address is Lynn, Mass.

THE HAIR WORN LOW.

The fashion of dressing the hair has changed in the last few years. It has become more and more a matter of convenience. A woman who wears her hair low can do so with ease and comfort. The hair is not so heavy and does not require so much care. It is also more becoming to the face.

A low, three-roll, or a big-wig is the most satisfactory arrangement for the hair. The hair is not so heavy and does not require so much care. It is also more becoming to the face.

When a woman wears her hair low, she is more comfortable and more becoming. The hair is not so heavy and does not require so much care. It is also more becoming to the face.

KINDLY NOT APPRECIATED.
Courtesy Shown a Poor-Blind Colored Man in a Street Car.

People are so busy nowadays they have often not time to be polite, and a consideration not an attractive attention. There was such an occurrence a few days ago in a city street car.

Among the passengers was a blind negro. His clothes were the poorest and his hair was wild. He was sitting in the car, and he was looking at the people around him.

The blind man was sitting in the car, and he was looking at the people around him. He was looking at the people around him, and he was looking at the people around him.

The blind man was sitting in the car, and he was looking at the people around him. He was looking at the people around him, and he was looking at the people around him.
